STUDENT LEARNING OUTCOMES

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

- 1 Research historical or cultural information about a Spanish-speaking country and prepare an oral and/or written presentation. (ILO1, ILO3, ILO4)
- 2 Organize information about a historical or cultural aspect of a Spanish-Speaking country for a written or oral assignment. (ILO1, ILO3, ILO5)
- 3 Successfully communicate at the novice/elementary level a personal event in the present tense. (ILO1, ILO2)
- 4 Describe basic daily life situations using correct grammatical structures, vocabulary and idiomatic expressions. (ILO1)
- 5 Assess the content and meaning of written Spanish both orally and in writing. (ILO1, ILO4, ILO5)

COURSE DESCRIPTION: Prerequisites: The student must be able to speak and read English. Not open to students with native ability in Spanish. (See SPAN 220/Formerly SPAN 20A). For additional oral practice, concurrent enrollment in SPAN 113 (Formerly SPAN 5A) is recommended. The beginning Spanish course is based on a contrastive analysis between Spanish and English and is designed to develop in the English-speaking student rudimentary abilities in the four basic language skills: hearing, speaking, reading, and writing. The main emphasis is on the present tense of both regular and irregular verbs. The student will be familiarized with those features of Hispanic culture, which reflect the different frame of reference from which the native speaker of Spanish views the world. Additional language structures and vocabulary practice will be assigned. We will cover: **Chapters Preliminar and 1 through 5 of the textbook and MySpanishLab.**

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the General Catalog.
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Attendance

- A student who fails to attend the first meeting of a class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

You are expected to study and prepare the material assigned for each day in order to actively participate in class. You are expected to give your full attention during the class period. Talking during a lecture or discussion, reading or writing material not pertaining to this class, or sleeping will not be tolerated. If a student sleeps in class, he/she will be marked absent, and will not receive participation points for the day.

Your willing, voluntary and eager participation in all class activities (and this includes active listening and group work) will be appreciated and rewarded. Oral as well as written and group participation make up part of your final grade. Disruptive behavior or deliberate falsification of information are bases for dismissal from class and/or from the college for the duration of the semester. Not speaking enough Spanish in class lowers your participation grade.

The Student Activities in MySpanishLab online (Capítulos Preliminar and 1-5) should be kept up to date by every student. They activities are due on Sundays. Plan to study 3-4 hours or more a day on **your own. It is important when learning a foreign language to practice listening, speaking, reading, and writing skills as much as you can outside of the classroom.**

HOMEWORK: Submit homework on time. The homework will be assigned every class. **No late homework will be accepted** unless stapled with a valid medical excuse, within two days of your return. I may check or collect homework on any given day. Neither absence nor tardiness will be considered an excuse for missing assignments, incomplete work, or quizzes. **You are responsible for the work missed during your absence.**

WRITTEN COMPOSITIONS: You will write several short compositions throughout the course. Some of these compositions will be done in-class (You must be in class to complete these tasks.), while others will be written outside the classroom. The topics for these compositions will be assigned by the instructor.

ORAL PRESENTATIONS: You will prepare two oral presentations. You must be present the days of your presentations. The topics will be assigned **in class**. Presentations will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the **target language**.

FINAL ORAL EXAM: On the week before the week of final examination (November 30 -3 December) you will present an oral examination. This is done in front of the instructor not in front of the class. The oral exam will be graded on the student's ability to communicate effectively in a conversational situation. More information regarding this exam will be given by the instructor.

WRITTEN EXAMS (EXÁMENES) AND QUIZZES (PRUEBAS): There will be **six chapter** exams, one final examination and a number of quizzes (pruebas). (I will drop the lowest score from tests and from quizzes. If for any reason you miss a test or a quiz [illness, death in the family and etc.], consider this your lowest grade and I will be drop it/them.). In addition, expect quizzes (written or oral) on geography, grammar, homework assignments, and class discussions on history, vocabulary, and culture. Quizzes will be announced and unannounced. **Please note that the quizzes and the exams are going to be given in the first hour, don't be late otherwise you will lose time.** There will be **NO MAKE-UP TESTS OR QUIZZES. Last examinations will be held during the week of December 7 to 11, 2015. You must be present on these days, or you will automatically receive a zero. NO EXCEPTIONS. Make sure you plan on getting to class on time and always come prepared for a quiz.**

ACADEMIC INTEGRITY

Cheating and plagiarism can result in any one of a variety of sanctions. Such penalties may range from an adjusted grade on the particular exam, project, or assignment to a failing grade in the course at the discretion of the instructor subject to certain conditions. The instructor may also summarily suspend the student for the class meeting when the infraction occurred as well as the following class meeting; extreme cases can result in extended suspension or expulsion as stipulated by the college's Disruptive Student Behavior Policy.

Students will treat each other and the professor with verbal and nonverbal dignity and respect. Do not use profanity under any circumstances.
