### **Course Requirements and Instructional Methods**

Lectures: Typical class meetings will consist of lectures, usually in the form of power point presentations.  
Multi-Media Presentations: Videos and films will appear from time to time throughout the course.  
Publically available video content (You tube videos for example) may also be assigned for viewing in lectures, or outside of class.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### **Course Grading Based on Course Objectives**

Students are expected to participate actively in classroom discussions. Grades will be based on class participation, outside assignments (maps), quizzes, tests and a final examination. Quizzes and tests will be multiple choice, true or false, matching and short answers (essays). No makeup quizzes or exams will be given unless you have made arrangements with me in advance. There will be some extra credit to be determined by the instructor.

Tests and quizzes = 80% of grade

Outside assignments = 20% of grade

90%=A, 80%=B, 70%=C, 60%=D, 0-59%=F

## Attendance

Geography 108 is scheduled to meet for 1.25 hrs. You may be dropped from the class if your attendance becomes a problem unless you have made arrangements with me. If you are absent, it is your responsibility to learn about any assignment or test due for the next class meeting. Please call me if you know you are going to be absent more than one meeting. Remember! attendance is very important. Students are responsible for officially withdrawing from class.

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

## Classroom Etiquette

Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.

- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
