Modules

Begin Here!

Go to Repaso semanal (weekly review) after watching the video and seeing what you need to do go to lecciones. In Lecciones you will have the modules for each chapter that we will cover for the semester. You must complete all the activities assigned in each the modules every week. Then, go to MySpanishlab and complete the tasks related to the modules.

Repaso:

We will cover chapter Preliminary to chapter 11. Every chapter is divided by weeks. It's important that you complete the Module called Repaso since the material covered in these Modules are reviews of Spanish 100 and Spanish 110, these are components that are essential for a better understanding of material presented in this course Spanish 110.

Written assignments:

You will be assigned several written (Escrituras) tasks throughout the course, at the end of every chapter. The instructor will assign the topics for these written tasks in Blackboard. It's important to pay attention to the grammar (including accent marks). These tasks will be assigned every week. Be careful these written activities will be grade based in their content such as style, use of the vocabulary and grammar. For these assignments, don't open them, if you are not ready to complete them since Escrituras are timed.

Oral Presentatio:

You will prepare an oral presentation. Presentations will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the target language. You will be given more details about this during the semester. You must present your oral between July 25 to July 27 from , if this days and times don't fit your schedule, you must let me know one week in advance.

Quizzes & Tests:

There are quizzes in MySpanishlab/Blackboard every week. Also, the there is a chapter test in MySpanishlab. Please know that I realize that in life there are many situations that occur, such as; submitting incomplete assignments, the browser accidentally shutting down while you are taking a quiz, being sick or having an illness or a death in the family. Taking in consideration these situations, I will drop

the lowest score from the quizzes and exams but be careful since I won't reset any quizzes. There are also exams, the midterm and final exam in Blackboard (MidtermExamPrácticaMidterm).

Midterm/Final Exam:

A study guide for the midterm and final exams will be provided the week before the exams. The midterm test and final are in Blackboard.

Discussions:

There are two discussions every week. Click where it says discussion, you won't see anything until you click on create thread which will take you to discussions, follow the model and after you write your discussion click submit. Don't forget that you will also have to comment on one of your classmate's comments. These discussions will be worth 10-15 points each. Be aware of the due dates.

If any student uses inappropriate language or is disrespectful to another student, that student will lose points and need to have a personal conversation with the instructor. Remember, this is a college class and the discussion should be academic in nature, so don't get off topic or you will also lose points. In addition, if you choose to upload a picture into your profile, make sure it is an appropriate photo and that it is sized properly or I will have to ask you to remove it. For example, too much skin exposure, even on a baby is inappropriate. Thank you for your cooperation in this matter.

Late assignments:

Late assignments won't be accepted.

- Identify yourself. Include a subject line. Be careful when using humor or sarcasm every person interpret things differently. Be respectful of diverse opinions. Acknowledge and return messages promptly. Use appropriate language. Use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].
