Course Requirements and Instructional Methods

Course Overview: This is an advanced level oil painting course which addresses contemporary issues, as well as the development of individual style. Under some circumstances, acrylic may be used, ask the instructor. There will be lecture, demonstration and audio-visual materials as well as painting and critiques (both verbal and written).

Out of Class Assignments: Students are responsible for attending a minimum of three art exhibitions during the semester. Students should write a short and informal research of an artwork from each exhibit, with attention to describing, analyzing and responding to the artwork as well as research into its place in the contemporary art world.

Students are also responsible for idea generation for their paintings, including preliminary drawings, photographs, gathering other visual sources.

The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Lab Fee:

Student lab fees go towards IVC provided oil paint, paint thinner (citrus only), painting medium and some other

classroom supplies which total way more than the \$15 lab fee per student. Be prepared to buy some materials. Not all materials will be supplied.

THIS IS WHAT YOU NEED TO BRING:

An assortment of oil painting brushes.

One Glass or Plastic Jar with a secure Lid.

Painting Medium - linseed oil, Liquin (has a dryer in it), or other mix.

Brush cleaner - available in a small tub from Michael's or by mail order, see below.

A sketch book, no smaller than 8 1/2 by 11 inches, but can be larger.

A pencil and eraser to draw with.

A Large palette which is what holds the paint so you can mix colors. It may be something recycled.

A 100% cotton rag made from T-shirt material. Something that isn't fuzzy. Can be purchased in paint departments.

You might want an old shirt or apron to wear to protect your clothing. Don't wear precious clothing to class.

A palette knife.

Pre-stretched canvasses or canvas boards 16" by 20" or larger., according to needs. Please work this out with your instructor.

A bag or tackle box to keep everything in.

There will be some other specific materials for some of the projects in this course (found objects, etc.)

IVC WILL SUPPLY OIL PAINT & CITRUS BASED PAINT THINNER. There are many colors available. Here are a few suggested colors for your reference. As you work, you may want to get some additional colors:

Cadmium yellow light and medium	Cobalt blue
Alizarine crimson	Cerulean blue
Cadmium red medium	Yellow ochre
Ultramarine blue	Indian Red
Burnt sienna	Viridian
Burnt umber	Ultramarine blue

Reliable mail order: This is the most economical to purchase art supplies, even with shipping. Call for catalogs.

1. The Jerry's Catalog, 1-800-827-8478 www.jerrysartarama.com I have saved "Teacher's Cart's" listing the supplies we purchase for class. See Jerry's homepage under Teacher's Carts, listed alphabetically under "I" for Imperial Valley College. Follow the links for students to find lists.

2. Dick Blick, 1-800-828-4548 www.dickblick.com

Blick and Jerry's often have free shipping with a minimum purchase. You do not pay tax if you purchase from Jerry's because they don't have a store in California; however, there is a Blick store in San Diego, so they do collect tax from mail order. Both have frequent sales. Get on their email list. Call to request catalogs.

Course Grading Based on Course Objectives

Portfolio: You will be working on your own projects in consultation with your instructor. The goal is to develop a personal style suitable for gallery exhibit or transfer to an institution of higher learning.

Required Midterm and Final Portfolio review: At the middle and end of the semester, the instructor will view and grade all the work completed during the semester by each student. Students will make an appointment with the instructor for this purpose. The only way for you to get credit for the paintings you do, is to attend a Midterm and Final Portfolio Review. Your instructor needs to see your work, and grade it, for you to get credit for it.

NOTE: If you miss the Midterm portfolio review, expect this to drop your grade by one half grade for each class after the two designated classes for reviews until you make an appointment for the review. The only acceptable excuse is your own documented medical emergency or the death of an immediate family member such as a parent, spouse or child.

Example: you meet for an appointment one class after the designated classes, if your grade would normally be an A, it will drop to a B+. Timeliness is important. It's only fair to the rest of the students who were on time.

If you miss the Final portfolio review, your grade will drop as a result of undocumented classwork.

Midterm portfolio review grade will be averaged with the Final portfolio grade. Example: Midterm portfolio grade is B and Final portfolio grade is A. Assign numerical values, 3 (B) and 4 (A), divide by two to get the average of 3.5 which is an B.

Portfolio Grading Rubric - Portfolio Grades are based on four major factors:

1. **CREATIVITY:** Is the work conceptually inventive? Have you developed an interest in a particular genre resulting in a unique body of work? Were these ideas resonant, gripping, inventive, or memorable? Do your ideas address contemporary art issues? **(25% of grade) 25 points**
2. **SKILL LEVEL:** Is the work convincing in terms of form, value and special effects? Are several media employed? Is the craft appropriate to the concept? Has there been any development or improvement? **(25% of grade) 25 points**
3. **SUBSTANCE:** How substantial is your learning process? Do you take risks? Do you bring intensity, commitment, and energy to class? Is your work finished and complete? **(25% of grade) 25 points**
4. **CRITIQUES :** Are your contributions to critiques substantial? **(25% of grade) 25 points**

Grade Scale:

A=100-90

B=89-80

C=79-70

D=69-60

F=59 or below

FINAL GRADE:

20% Midterm Portfolio

20% Final Portfolio

30% for each of three essays (10% each)

20% total for Quiz 1 & 2 (10% each)

10% for Final

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
