Additional readings or articles may be presented or assigned by me as deemed relevant.

Course Requirements and Instructional Methods

Exams: There will be four tests, a Midterm exam and the Final exam. All tests will be based on the text, any additional readings, lectures (which includes Power Point presentations), and videos.

Only one make-up exam will be given to a student during the semester, and must be scheduled with me. Make-up exams may be used only if the original exam was not taken at the scheduled time due to illness or verified family or work emergency, and I am notified before the test. Any make-up exams scheduled for more than a week after the original test date face a point reduction of 25%. I will not approve any make-up test scheduled later than two weeks after the original test date. There is NO make-up available for the Final exam!

Writing Requirement: Students will be required to complete three written assignments. Information on these assignments will be presented by me.

Course Grading Based on Course Objectives

Grading: The course maximum is 1000 points, based on the following:

Discussion/Participation	150 points (approx. 4 pts./class)
Library meeting	35 points
Exams (four @ 50 points each)	200 points
Assignments (four @ 60 points each)	240 points
Midterm	125 points
Final	250 points

Grading will be based on total points, as follows:

A = 901 – 1000 pts.	B = 801 – 900.5 pts.
C = 701 – 800.5 pts.	D = 601 – 700.5 pts.
F = 0 – 600.5 pts.	

Discussion points will be deducted when a student is late (1 point each time), and/or when a student disrupts the class by talking during the lecture or videos loud enough to disturb other students, has a cell phone ring during class, etc. (1/2 point each time). Points can only be earned by a student who asks questions and/or participates in classroom discussions. Points are not earned simply for attendance.

Imperial Valley College Course Syllabus – COURSE

I reserve the right to have students complete additional work in class. Any such work will have points added to what is shown above. **I do NOT offer extra credit work.**

Letter grades will not be included on tests and assignments. They will only be used for the final course grade.

Attendance

A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise approved by me.

Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by me.

Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).

Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

Imperial Valley College Course Syllabus – COURSE

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.

Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an "F" in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
