Attendance Policy:

Students are expected to attend all class sessions and to actively participate while in attendance. During the course of the semester, students are not allowed to have any unexcused absences. Contact the head coach if you are going to be late to class or matches. An unexcused absence may result in a one-letter drop in final grade.

If a student needs to miss a class for reasons that are excusable (examples of excused absences include illnesses confirmed by a doctor, family emergency, college-sponsored event, or job interviews) that student is responsible for making up the class at a time and place that is agreed upon by both student and instructor. All excused absences need to be communicated to the instructor *prior* to the date that the student will be absent. It is the responsibility of the student to inform the instructor prior to the date of the class that she/he will not be present and to initiate a make up day. Should the class not be made up within a two week time period, the absence will be deemed as unexcused and will count against the number of unexcused absences a student is allowed.

Dress and Equipment:

Students are required to dress appropriately for all class sessions. Appropriate clothes include shorts, T-shirts, tennis shoes (a.k.a. gym shoes/sneakers), or reasonable extensions of the above clothes (i.e. wind pants, sweat shirts, etc.).
