Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.

You will have Reading Lab assignments to complete for Fall Semester. Failure to complete any Reading Lab assignment by the due date (and time), will result in the lowering of points for this portion of your final semester grade – see **Grading** below. **No partial credit** will be given for incomplete or late Reading Lab work.

The software program, *Aplia Connect: College Reading* by Cengage Brain will be used in this Reading 18 course. You must purchase the *Aplia Connect: College Reading* stand-alone Access Code in order to complete the Reading Lab assignments. There are two ways to obtain the *Aplia Connect: College Reading* Access Code –

1.) The access code may be purchased at the IVC bookstore (ask for it at the counter).

OR

2.) The access code may be purchased online. (To purchase online you must have a valid credit card - in your name – or possess an IVC debit card.

3.) One access code cannot be shared by two students. Do not delay in acquiring your code. The first lab assignment cannot be started without one.

Course Grading Based on Course Objectives

Quizzes will be given throughout the semester. They will be based on material from your textbook(s) and/or class handouts and notes. Each quiz will be graded on a percent of 100. There will be NO make-up quizzes, but your one lowest grade during the course will be dropped.

Note: Students who leave class after completing a test and DO NOT RETURN at the assigned time will receive a “0”/no credit for that day’s test. Plan on having attendance retaken after ANY break.

The Final Exam will cover material from the first class meeting to the last class before the Final is given.

Grading: The end-of-the-semester grade will be based upon the following:

Reading Lab	20%
Final Exam	30%

The grading scale is	90 to 100%	= A

Classroom Etiquette/Behavior

All students are expected to conduct themselves as adults. Cell phones are to be turned off during class. No food or drinks, other than water bottles with lids/caps, are to be brought into the classroom.

Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Additionally, “Students shall observe the rules and regulations of the College and shall refrain from conduct which interferes with the College’s teaching and administration, or which reasonably interferes with the rights of others.” Source – IVC Student Catalog

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another’s work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to “cite a source” correctly, you must ask for help.

- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
