Course Requirements and Instructional Methods

Instructional methods that will be used in this course are the following: In class activities, written assignments, reading assignments, lecture, discussion, group activities, fitness assessments, class participation and online assignment submission on Canvas.

Due to the physical activity nature of this course you need to come prepared to exercise to every class meeting

- Clothing- you should wear appropriate attire so that you can exercise easily. Shorts, t-shirts, sweat pants and tennis shoes will suffice. Avoid clothing that could get caught in the equipment. Wearing layers is suggested as you may need to adjust to the weather. No sandals or slippers.
- Changing clothes and securing personal items- you are welcome to use the lockers provided in the locker room. You must bring your own lock. If you choose to use the large lockers you must remove you lock at the end of class. **Be warned that there is no one monitoring the locker rooms so do not bring your valuables.**
- Cell Phones: Cell phones are not allowed in the classroom during lectures or classroom activities. Cell phones are not allowed in the workout area. I will play music in the workout area.
- Food- you should eat something about an hour before an exercise class. A light meal of carbohydrates and protein are ideal. If you are diabetic or hypoglycemic, please let me know and remember to bring some easy to eat food with you. If you feel a reaction coming on stop, check and treat it right away.
- Check Blood Glucose- if you take insulin or diabetic pills, blood monitoring is important. You want to avoid low levels so please check your glucose levels twice before class. Check it 30 minutes before and once again just before class. That way you'll know if your blood glucose is stable or dropping. If it's dropping you may need a snack.

NO BACKPACKS ALLOWED IN THE FITNESS CENTER. STORE IT IN A LOCKER OR YOUR CAR.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
