

Basic Course Information

Semester:	Fall 2017	Instructor Name:	Yvonne Salgado
Course Title & #:	Health, Safety and Nutrition CDEV 101	Email:	Yvonne.salgado@imperial.edu
CRN #:	11057	Webpage (optional):	
Classroom:	202	Office #:	
Class Dates:	8/14/17 to 12/8/17	Office Hours:	Please contact me as needed available before/after class
Class Days:	Wednesday	Office Phone #:	
Class Times:	6:00PM to 9:10PM	Emergency Contact:	760-235-8431 cell phone
Units:	3 Units		

Course Description

Introduction of the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health, safety and nutrition. The key components that ensure physical health, mental health and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into every day planning and program development for all children. (C-ID ECE 220) (CSU)

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to: Assess strategies to maximize the mental and physical health of children and adults in programs for all young children in accordance with culturally, linguistic and developmentally sound practice. (ILO2, ILO3, ILO5) Identify health, safety, and environmental risks in children’s programs. (ILO2, ILO3, ILO5) Analyze the nutritional needs of children at various ages and evaluate the relationship between healthy development and nutrition. (ILO2, ILO4) Evaluate regulations, standards, policies and procedures related to health, safety, and nutrition in support of young children, teachers and families. (ILO2, ILO4, ILO5) Distinguish aspects of quality in programs for young children as related to health and safety, acknowledging the value of collaboration with families and the community. (ILO2, ILO4)

Course Objectives

Upon satisfactory completion of the course, students will be able to: 1. Demonstrate effective strategies for evaluating health and safety policies and procedures. 2. Compare and contrast various methods of collaboration with teachers and families to promote health and safety in settings for children ages 0-5. 3. Compare and contrast various health assessment tools and policies. 4. Identify environmental health

and safety risks for children ages 0-5. 5. Identify symptoms of common communicable diseases and other health conditions that effect children young children. 6. Identify and discuss common health and safety issues in early childhood settings. 7. Identify characteristics of abuse and neglect and demonstrate knowledge of mandated child abuse reporting procedures. 8. Differentiate the nutritional needs of various ages of children and plan economical and nutritional meals and snacks based on the individual needs of children. 9. Write appropriate early childhood curriculum on the topics of health, safety, and nutrition appropriate for families and all children. 10. Recognize a caregiver's role and responsibility to model good health, safety and nutrition habits 11. Research current health issues related to children and families. 12. Review laws and regulations (e.g., Title 22, Title 5, Fire Code) supporting health, safety, and nutrition in children's programs.

Textbooks & Other Resources or Links

Marotz, Lynn R. (2015). *Health, Safety, and Nutrition for the Young Child, 9th Ed.*, Stamford, CT: Cengage Learning. ISBN-13: 978-1-285-42733-1 or ISBN-10: 1-285-42733-5

Course Requirements and Instructional Methods

Grades will be based upon class participation, attendance and the completion of assignments, pop quizzes, quizzes and tests throughout the semester. All material presented in the text, study guide, videos and handouts will be part of the evaluation process.

All assignments should be typed or written legibly in blue or black ink.

No assignments or projects will be accepted late. They are due on the date assigned. If you feel that you have extenuating circumstances, please see me before the project is due. If you have permission to turn the project in late, you will not earn higher than a letter grade of 'C' for your effort.

Every student has the same chance to prepare for quizzes and tests. If you miss a quiz and have extra time to study, it is unfair to those students who took the quiz on time. In order to make up a test, quiz, or assignment you must show proof for the absence (doctor's note, hospitalization paperwork) and it must be approved by the instructor. Regardless of the reason for a missed quiz, all missed quizzes and tests must be made up within a week of when your class took the test or quiz. Make-ups are at my office during office hours. Please make sure you are here when tests are scheduled. If you are not here for a scheduled test, you will receive no points for the test. A missed assignment or test is considered an "F" and no points will be given. Plan a schedule to allow for ample study time so you will be prepared. There is no penalty for taking a quiz or test before the scheduled time.

All assignments have a rubric by which the student can view what is required to receive the highest grade on that assignment.

Grading Policy

"When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the faculty member of the course, and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith or incompetency, shall be final." California Education Code, Section 76224(a)

Everyone in each class can earn an “A” grade. There is no set number or percentage that limits how many A’s can be earned in each class.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives	
Course Assignments and Points:	
In class activities/ participation 15 @ 2 points	30 Points
Communicable Disease Info (PLO7 & 8)	25 Points
Title 22 paper (PLO, 7)	25 Points
Menu Planning (PLO 8)	50 Points
Lesson Plan Assignment (PLO8)	30 Points
3 tests @30 points each	90 Points
Mid-term/Final 2@50 points each	100 Points
Total	350

Grade Breakdown:
A=100%-90% (350-315)
B=89%-80% (314-280)
C=79%-70% (279-245)
D=69%-60% (244-210)
F= 59% and below 209 and below
Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Academic Honesty

[Required language.]

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Additional Student Services

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- [Blackboard Support Site](#). The Blackboard Support Site provides a variety of support channels available to students 24 hours per day.
- [Learning Services](#). There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your [Campus Map](#) for the [Math Lab](#); [Reading, Writing & Language Labs](#); and the [Study Skills Center](#).
- [Library Services](#). There is more to our library than just books. You have access to tutors in the [Study Skills Center](#), study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the [Disabled Student Programs and Services](#) (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

- [Student Health Center](#). A Student Health Nurse is available on campus. In addition, Pioneers Memorial Healthcare District provide basic health services for students, such as first aid and care for minor illnesses. Contact the IVC [Student Health Center](#) at 760-355-6128 in Room 1536 for more information.
- [Mental Health Counseling Services](#). Short-term individual, couples, family, and group therapy are provided to currently enrolled students. Contact the IVC [Mental Health Counseling Services](#) at 760-355-6196 in Room 2109 for more information.

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC [General Catalog](#).

Information Literacy

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC [Library Department](#) provides numerous [Information Literacy Tutorials](#) to assist students in this endeavor.

Anticipated Class Schedule/Calendar

Date or Week	Activity, Assignment, and/or Topic	Pages/ Due Dates/Tests
Week 1 August 16	Syllabus & Introduction Chap. 1 – Children’s Well Being	Pages 2-37
Week 2 August 23	Chap. 2- Daily Health Observation	Pages 38-53
Week 3 August 30	Chap. 3 – Assessing Children’s Health	Pages 54-81 Review for test Sign-up for Infectious Disease
Week 4 September 6	Chap. 4 – Caring for Children with Special Medical Conditions	Pages 83-111 Test 1(Chapters 1-3)
Week 5 September 13	Chap. 5 –The Infectious Process and Environmental Control	Pages 113-134 Infectious Disease Assignment/Presentation
Week 6 September 20	Chap. 6 – Childhood Illnesses: Identification and Management	Pages 135-166 Infectious Disease Assignment/Presentation Review for test
Week 7 September 27	Chap. 7 –Creating High Quality Environments Explain Title 22 Assignment	Pages 169-202 TEST 2 (Chapters 4-6) Infectious Disease Assignment/Presentation
Week 8 October 4	Chap. 8 – Safety Management Chap. 9- Management of Injuries /Acute Illness	Pages 203-234 Pages 235-266 Infectious Disease Assignment/Presentation

Date or Week	Activity, Assignment, and/or Topic	Pages/ Due Dates/Tests
Week 9 October 11	Chap. 10 – Maltreatment of Children: Abuse & Neglect	Pages 267-291 Title 22 Paper Due Infectious Disease Assignment/Presentation
Week 10 October 18	Chap. 11 – Planning for Children’s Health & Safety Education Explain Lesson Plan Assignment	Pages 293-318 Review for Mid-Term (Chapters 7-11)
Week 11 October 25	Mid-Term	
Week 12 November 1	Chap. 12 & 13 – Nutritional Guidelines & Nutrients that Provide Energy	Pages 321-355
Week 13 November 8	Chap. 14 – Nutrients that Promote Growth and Regulate Body Functions Explain Menu Assignment	Pages 357-378 Lesson Plan Due Review for test
Week 14 November 15	Chap. 15 & 16 Feeding Infants/ Feeding Toddlers and Young Children	Pages 381-425 TEST 3 Chapters 12-14
Week 15 November 22	Thanksgiving Break No Class	
Week 16 November 29	Chap. 17 & 18 Planning & Serving Nutritious & Economical Meals/Food Safety	Pages 427-483 Review Final Menu Plan Due
Week 17 December 6	FINALS WEEK	Final (Chapters 15-18)
