### Course Requirements and Instructional Methods

- **Class Participation/Discussion:** Class participation is an integral component of this course and is required from all students. While your voice is encouraged and appreciated, you should be mindful and considerate of your opinion toward others. Verbal harassment, disrespectful or obscene comments and/or behavior will not be tolerated. You will be told to leave the class.
- **Quiz:** The quiz will consist of: matching, true or false, multiple choice, fill-in-the-blank, short answer questions and extra credit question/s. It may include an essay question; scantron required.
- **Critical Thinking Video:** Make a brief video (2-4 minutes) that illustrates how each perspective interprets our society. Select one of the many topics discussed in class and illustrate each perspective. To help you get the most out of your video, use the formula of State, Show, and Explain. State the answer to the question using the appropriate Sociological concepts and/or issues. Show or illustrate the concept or issue by using an example/s from the world around you. Explain why this concept or issue is relevant to the study of society. In other words, why do Sociologists study this issue or concept? After you make your video, post it on YouTube and send the URL to your instructor as the answer for this assignment.
- **Midterm I:** Midterm I will consist of: true or false, multiple choice, short answer questions and extra credit question/s pertaining to the first half of the semester topics covered; scantron required.
- **Midterm II:** Midterm II will consist of: true or false, multiple choice, short answer questions and extra credit question/s pertaining to the second half of the semester topics covered; scantron required.
- **Extra-Credit:** Extra Credit will be available for completion throughout the semester. The assignments will be worth 1-2 points each. Print only the page(s) that contains the relevant information and highlight that information. Do not cut and paste.
- **Assignments:** All submitted assignments must be typed unless otherwise stated. Assignments that are to be printed out from the internet must have pertinent information highlighted.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.

Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### **Student Equity Program**

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
