Course Requirements and Instructional Methods

If you intend to master English, you must use it. Therefore, you should be prepared to speak and write with your classmates and teacher in English. You may be expected to speak in English in the following contexts: (1) with a partner; (2) in a small group; (3) in a formal presentation in front of the class; (4) with your teacher; (5) in telephone assignments; (6) with strangers in out-of-class assignments. You will also listen to audio clips and watch videos and will be expected to discuss and write about the content in English.

We will do a variety of activities in class. Sometimes there will be lecture and you will need to take notes (and ask questions!). Sometimes you will do individual writings and exercises, and sometimes you will do pair/group writings and exercises. You should also expect that you will take tests throughout the term.

Success: Acquiring another language requires focused effort. Sitting in class is simply not sufficient for you to succeed. You must study, speak, read, and listen to English as much as you possibly can outside of class. College guidelines suggest that you study two hours for every hour of class. Since this is a five-hour class, this would mean that you are expected to study or participate in some other learning activity for an additional ten hours every week.

Additional Responsibilities: I lecture on topics. I do not necessarily cover the book page-by-page. It is your responsibility to read the section in the textbook relevant to the topic on which I lecture. **If you have questions about material you have read that you feel I did not address in my lecture, it is your responsibility to raise those questions in class.**

Method of Evaluation to Determine If Objectives Have Been Met by Students:

- Mid-Term/Final Exam(s)
- Oral Assignments
- Quizzes
- Written Assignments
- Class Activity

Instructional Methodology:

- Audio Visual
- Computer Assisted Instruction
- Discussion
- Group Activity
- Lecture
- Simulation/Case Study
- Individual Assistance

Assignments:

1. Watch a TV news report in English. What was the most captivating news you heard in this report? Write a 10-12 sentence paragraph briefly describing the news and giving your opinion about the news.
2. Revise a paragraph; pay attention to run on sentences, comma splices, and fragments.
3. Revise a paragraph consisting of simple sentences provided by the instructor. Combine simple sentences into complex and compound sentences and add connecting devices and transitions wherever necessary.

Reading and Writing

Read three paragraphs provided by the instructor with the same organization pattern. Determine which paragraph is the most/least coherent and well-organized. Write a paragraph expressing your opinion including reasons and examples.

Additional Responsibilities: I lecture on topics. I do not necessarily cover the book page-by-page. It is your responsibility to read the section in the textbook relevant to the topic on which I lecture. **If you have questions about material you have read that you feel I did not address in my lecture, it is your responsibility to raise those questions in class.**

Course Grading Based on Course Objectives

This course must be taken for a letter grade. You will be assigned a final grade based on your homework, quizzes, classroom performance, the mid-term exam, and the final exam. It's important, therefore, that you complete the regular assignments and do your best on quizzes and the final exam. In order to pass the course, you must pass the final exam.

The following components will contribute to your final grade in the percentage listed next to each:

Individual Writing assignments: 20%; Group Writing assignments: 15%; Quizzes: 25%; Online Homework: 15%; Midterm/Final Exams: 25%. The grading scale is as follows: 90-100% = A; 80-89% = B; 70-79% = C; 60-69% = D; 0-59% = F

Homework: All homework assignments must be handed in on the date they are due. If you fail to complete or turn in the homework on the date it is due, you will receive a grade of zero for that assignment, unless you present proof of absence excused by virtue of California Education Code Section 48205 or by policies published by Imperial Valley College District. In the event that your absence is excused, you must turn in the assignment at the beginning of the next class meeting following your excused absence.

Quizzes: I will give you quizzes throughout the semester. **No makeup quizzes will be given unless you present a doctor's excuse certifying that you were incapacitated and unable to take the quiz on the appointed day.** If you miss a quiz, you will receive a grade of zero for that quiz unless you present proof of absence excused by virtue of California Education Code Section 48205 or by policies published by Imperial Valley College District. In the event that your absence is excused, you must turn in the assignment at the beginning of the next class meeting following your excused absence.

Final Exam: There will be only one final exam, administered on the date listed in the class schedule.

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

- Class attendance will be taken at the beginning of class meetings. If you come late, see me to check in during the break. If you are going to miss a class, it is your responsibility to get the assignments and turn them in on time.
- Sometimes, our work on one day depends on work done on another day. If you miss the one day, then you may find it difficult to perform the tasks on the other day. Also, we often work in groups. If you miss a class, you may disappoint your colleagues.

- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
