### Course Description

This course looks at Mexican history from its native origins to the present. The class will explore the Native Mexican cultures of Mesoamerica, the period of colonization, the struggle for independence and nationhood in the 19<sup>th</sup> century, the interaction and conflicts with the United States in the early to mid-19<sup>th</sup> century, the Mexican Revolution, the era of population, economic and political crises during the 20<sup>th</sup> century, and a national rebirth in the 21<sup>st</sup> century.

### Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and/or attitudes as demonstrated by being able to: (1) identify and recall key information from a historical text and/or a documentary film; (2) describe the causes and/or impact of a historical event; and (3) explain and analyze the key information contained in a primary source document.

### Course Objectives

Upon satisfactory completion of the course, students will be able to: Describe a broad understanding of the most important ideas, personalities, movements and events of modern Mexico; articulate the roles played by various political and social groups; as well as be able to define some of the recurring themes during this time in Mexico's history

### Textbooks & Other Resources or Links

**Required:** *The Course of Mexican History*, 11<sup>th</sup> edition. It is available for sale or rent at the Bookstore. ISBN 978-0-19-065901-1

**Recommended:** Longman Advanced American Dictionary, 3rd edition. ISBN 9781447913139. The 2nd edition is also acceptable for this class, as is any comparable dictionary.

Additional readings or articles may be presented or assigned by me as deemed relevant.

### Course Requirements and Instructional Methods

Exams: There will be a Midterm and Final exam. Both exams will be based on the text, any additional readings, lectures (which includes Power Point presentations), and videos. The Midterm and Final are entirely essay.

Only one make-up exam will be given to a student during the semester, and must be scheduled with me. Make-up exams may be used only if the original exam was not taken at the scheduled time due to illness or verified family or work emergency, and I am notified before the test. Any make-up exams scheduled for more than three school days after the original test date face a point reduction of 25%. I will not approve any make-up test scheduled later than one (1) week after the original test date. There is NO make-up available for the last exam!

Grading rubrics will be posted on Canvas for the Midterm and Final exams.

Writing Requirement: Students will be required to complete four written assignments. Information on these assignments will be presented by me.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### Course Grading Based on Course Objectives

Grading: The course maximum is 1000 points, based on the following:

Discussion/Participation	270 points
Assignments (four @ 70 points each)	280 points
Midterm	150 points
Final	300 points

Grading will be based on total points, as follows: A = 901 – 1000 pts.      B = 801 – 900.5 pts.  
C = 701 – 800.5 pts.      D = 601 – 700.5 pts.  
F = 0 – 600.5 pts.

The Discussion points will be deducted when a student is late (1 point each time), and/or when a student disrupts the class by talking during the lecture or videos loud enough to disturb other students (or for me to hear you), has a cell phone ring during class, etc. (1/2 point each time). Points can only be earned by a student who asks questions and/or participates in classroom discussions and video reviews. Points are not earned simply for attendance.

I reserve the right to have students complete additional work in class. Any such work will have points added to what is shown above. I do NOT offer extra credit work.

Letter grades will not be included on tests and assignments. They will only be used for the final course grade.

### Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the Instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

### Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the Instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the Instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

### Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and Instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the Instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an "F" in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct.

Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College’s success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students’ access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.
- The Student Equity Program also houses IVC’s Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
