Classes will start with an explanation of the text for the current assignment by the instructor, and appropriate examples modeled. This will be followed by "self-tests" in which the student answers the questions in the textbook (also done at home before the next class). The next class will begin with discussions of the "self-tests" and after queries are answered, the assignment of the next section will be given. Thus, students are expected to work diligently on their own, as well as supervised. Make up exams will only be given for documented extenuating circumstances. Furthermore, make-up exams must be taken no later than 1 week after the original test date. No exceptions!

Course Grading:

Class Work.....	15%
2 Exams.....	50%
Final Exam.....	35%
TOTAL.....	100%

Class Attendance: A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class, will be dropped by the instructor as of the first official meeting of the class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See General catalog for details.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week, may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.

Food and Drink – are prohibited in all classrooms. Water bottles with lids/caps are the only exception.
