Course Requirements and Instructional Methods

Daily workbook assignments: For each lecture there will be a corresponding workbook assignment to reinforce the lesson topic. Time will be allotted during class for completion of workbook and feedback from the instructor. However, if assignments are not finished during class it will become homework and is due the following class period. Absence, under any circumstance does not exempt a student from completing assigned worksheets.

Music Performance: Students will participate in a music rehearsal consisting of singing, clapping rhythms, playing percussion instruments and playing a **wind instrument of choice*** Periodically students will perform music assignments for a grade.

(***choose a wind instrument to learn:** flutophone, flute, clarinet, alto saxophone, trumpet, trombone, or baritone. Wind instruments are **NOT** provided in class; students must acquire an instrument prior to the first class meeting. Flutophones are an inexpensive choice and available for sale at IVC bookstore for around \$5. Other band instruments may be rented at Clark Baker Music in El Centro (760) 352-3363. Rental prices for band instruments start at \$27 per month. *Renting a band instrument is optional* but recommended for a more

enriching musical experience. Students who demonstrate outstanding ability on a band instrument will be invited to play with other IVC music groups. (Beginning Mariachi, Community Concert Band, Pep Band)

Quizzes and Exams: Students will demonstrate comprehension of music fundamentals through periodic written quizzes and examinations. Absence, under any circumstance, does not exempt students responsibility to complete quizzes and exams. If absent for any reason, student is solely responsible for scheduling make-up quizzes or exams. Please note: make-up quizzes and exams are provided at the discretion of the instructor and intended for emergency situations only.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Workbook Assignments	30%
Music Performance	20%
Quizzes	50%

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: **are encouraged if used for educational purposes only** such as the following: Note-taking during lecture, researching relevant topics during lecture, recording lectures, class discussions and performances. **Do not use electronic devices for:** chatting between class members, personal email, personal social media, and personal research, or work assignments related to another class. Simply put, if it is related to class this class and not a distraction to you or others, its OK.
NOTE: If at any time your usage is deemed a distraction or found to be used for personal reasons you will lose the privilege of accessing your device during class.

- Food and Drink are prohibited in all classrooms. THIS IS EXTREMELY IMPORTANT. Musical equipment, whether acoustic or digital must be protected from moisture and debris. Exception: Water bottles with lids/caps are allowed at the desks during class or on stage during rehearsals and performances. NEVER set a water bottle (or any other food or beverage) near a Digital Audio Workstation (DAW) or on the acoustic piano. On occasion a reception with snacks will be allowed in designated areas only (lecture desks or stage, NEVER at a DAW)
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an

examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly

incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
