**Course Objectives**

**MEASURABLE COURSE OBJECTIVES AND MINIMUM STANDARDS FOR GRADE OF "C":**

Upon satisfactory completion of the course, students will be able to:

1. Write multiple essays—including one research paper and one final exam—that, together, add up to 6,000 words of formal writing. That's approximately 24 pages of double-spaced text with a 12-point font and one inch margins.
2. Demonstrate a command of the writing process, which may include pre-writing, drafting, revising, self-editing, peer group editing, and proofreading.
3. Compose error-free essays that avoid sentence-level and grammar problems.
4. Compose unified essays that include support for the thesis statement, clear development, and effective transitions.
5. Demonstrate a command of writing patterns by effectively integrating various rhetorical modes, such as compare/contrast, definition, cause/effect, and argumentation together to produce sophisticated, college-level essays as appropriate.

6. Demonstrate an ability to adapt writing strategies to the requirements of the writing situation (e.g. in-class writing, research writing, reflective writing) or to tailor a written assignment to address specific audiences (both general and academic).
7. Demonstrate a thorough understanding of research strategies and library skills (including electronic databases) to identify and evaluate resources for a research paper.
8. Synthesize information from multiple sources to produce a research paper that is formatted and documented according to MLA guidelines.
9. Demonstrate a command of rules regarding plagiarism and academic ethics.
10. Read actively, using metacognitive strategies to monitor comprehension, build vocabulary, and improve analysis of college-level texts.
11. Analyze the rhetorical context when reading by identifying genre, medium, purpose, audience and tone.
12. Analyze and evaluate the strategies an author uses to make and support a claim, including the use of fallacies.
13. Synthesize knowledge by relating texts to personal experience, to past and present events, and to other texts.

### Course Requirements and Instructional Methods

This class is focused on writing essays and reading. Information in the readings (and sometimes video lectures and interviews) serve as support for the essays. Largely what separates college writing from other types of writing is incorporating trustworthy information as core support of a thesis.

**Out of Class Assignments:** The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. This means to expect on average eight hours of homework per week for this 4-unit course.

### Course Grading Based on Course Objectives

Grade Scale by %    A: 90 - 100    B: 80 - 89    C: 70 - 79    D: 60 - 69    F: 0 - 59

Grading rubrics for major assignments like essays are posted on Canvas.

**Deadlines and late work:** Check upcoming deadlines regularly. All deadlines are posted there. A *short* grace period of one day can be requested if I am contacted in advance of the due date with a reasonable explanation for the request. Expect any late work to be docked points. Don't expect work

completed more than two days late to be awarded any points. If not contacted in advance of the due date about work arriving late, don't expect the assignment to be accepted. In general, don't expect late work to be accepted.

• *There are no "do-overs" for any reason on any assignment. Everyone gets one shot to complete each assignment. We prepare in stages for each assignment, so there is absolutely no reason to hand in any work that is far off target.*

• *Also note that the instructor reserves the right to assign a grade of zero to any previous class assignments if the quality of writing is not similar to the quality of writing shown in the final exam.*

## Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

## Classroom Etiquette

- **Electronic Devices:** Cell phones and electronic devices must be turned off (airplane mode is great!) and out of reach and view during class unless otherwise directed by the instructor. If you are seriously addicted to cellphone use, please seek help and don't distract your classmates from meeting their educational goals. Don't expect to be allowed to remain in the classroom if you violate this policy.
- **Food and Drink** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

## Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

## Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

• *Note that **plagiarism** results in a **zero** for any assignment and could lead to discipline by the college which could not only mean **dismissal** from the class but also **permanent expulsion** from IVC. A zero especially on a major assignment also makes it virtually **impossible** to pass the course. Yes, it's easy to cut and paste text from the internet. You should be very aware that due to technology, detecting plagiarism is **even easier for us**. We don't have to even look. The system alerts us. It highlights the copied text, even if some words have been changed. It shows us the URL on the web or the student paper it was copied from-- instantly! If there is any plagiarism, I give you a 100% guarantee that this technology shall find it, whether it's from text on any page on the internet or another student's paper. **Of course** there are no do-overs for a plagiarized assignment. Most students would never plagiarize. But that one or two who might will very easily be caught with zero effort on my part and will suffer consequences.*

(Note: If you are retaking this course, avoid self-plagiarism; that is, you will need to within reason hand in a substantially different essay even though it may be on the same topic as before. Any essay that is substantially the same as the student's own previous work will be graded zero.)

## Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success

and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
