Course Description

Prerequisites: The student must be able to speak and read English. Not open to students with native ability in Spanish. (See SPAN 220/Formerly SPAN 20A). For additional oral practice, concurrent enrollment in SPAN 113 (Formerly SPAN 5A) is recommended. The beginning Spanish course is based on a contrastive analysis between Spanish and English and is designed to develop in the English-speaking student rudimentary abilities in the four basic language skills: hearing, speaking, reading, and writing. The main emphasis is on the present tense of both regular and irregular verbs. The student will be familiarized with those features of Hispanic culture, which reflect the different frame of reference from which the native speaker of Spanish views the world. Additional language structures and vocabulary practice will be assigned. We will cover: Chapters Preliminar and 1 through 5 of the textbook and MySpanishLab.

Course Requirements and Instructional Methods

Plan to study 1-2 hours or more a day on your own. It is important when learning a foreign language to practice listening, speaking, reading, and writing skills as much as you can outside of the classroom.
HOMEWORK: Submit homework on time. The homework will be assigned every class. No late homework will be accepted unless stapled with a valid medical excuse, within two days of your return. I may check or collect homework on any given day. Neither absence nor tardiness will be considered an excuse for missing assignments, incomplete work, or quizzes. You are responsible for the work missed during your absence.
WRITTEN COMPOSITIONS: You will write several short compositions throughout the course. Some of these compositions will be done in-class, while others will be written outside the classroom. The topics for these compositions will be assigned by the instructor.
ORAL INTERVIEW/Presentation: You will prepare one oral interview. You must be present the days of your interview. The topics will be assigned in class. Interview will be graded on content, preparation, creativity, vocabulary, fluency, pronunciation, and ability to communicate in the target language. Not speaking enough Spanish in interview lowers your grade
FINAL EXAM: The exam will be on Capítulo Preliminar & Ch. 1-5. More information regarding this exam will be given by the instructor.

CHAPTER EXAMS (EXÁMENES): There will be six chapter exams, one midterm and a final exam. (I will drop the lowest score from tests). If for any reason you miss a test or a quiz (illness, death in the family and etc.), consider this your lowest grade and I will drop it). In addition, expect quizzes (written or oral) on geography, grammar, homework assignments, and class discussions on history, vocabulary, and culture. Quizzes will be announced and unannounced. Please note that the quizzes and the exams would

be given in the first hour, don't be late otherwise you will lose time. There will be **NO MAKE-UP TESTS OR QUIZZES** -Except in cases of documented emergencies, at the discretion of the professor. For reasons of fairness and the integrity of the class, there are **NO EXCEPTIONS**. Last examinations will be held during the week of the semester. You must be present on these days, or you will automatically receive a zero. **NO EXCEPTIONS**. Make sure you plan on getting to class on time and always come prepared for a quiz

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

Classroom Etiquette

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.

- STUDENT RESPONSIBILITIES: Come to class prepared to participate constructively in oral, written and group work based assignments.
- If YOU fail to officially withdraw, and stop coming to class you will receive an <<F>> NO EXCEPTIONS.
- In order to receive participation points you must be present for the entire period. If you feel that you are unable to attend class for the entire period, it is strongly recommended that you do not take this course. EVERYONE must be here for the final examinations. NO EXCEPTIONS.
- You are expected to study and prepare the material assigned for each day in order to actively participate in class.
- You are expected to give your full attention during the class period. Talking during a lecture or discussion, reading or writing material not pertaining to this class, or sleeping will not be tolerated. If a student sleeps in class, he/she will be marked absent, and will not receive participation points for the day

Online Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related

documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Student Equity Program

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students

who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.
