TOTAL.....	100%

LATE ASSIGNMENT POLICY and GRADE CHANGE PROCEDURES:

It is in your best interest NOT to miss deadlines for Assignments, Quizzes, Exams, Discussions, and the like. However, in the event that you find yourself in this situation, ALL LATE ASSIGNMENTS must be completed by latest, December 5th, 2021 at 11:59pm. No exceptions. Additionally, late assignments might automatically lose 30% of the total possible points awarded, as a penalty. Furthermore, no late assignments will be accepted after December 8th, 2021 (date of Final Exam for this course). If there are PROVEN severe extenuating circumstances, for example, hospitalizations, deaths, dismemberment, etc., then the instructor will weigh each case for leniency.

If, per chance, a grade change is needed, the instructor will follow the College Policies and Procedures on Grade Changes, and the appropriate Forms will be completed to effect the change.

Course Policies

[Describe other policies such as attendance, academic honesty, netiquette, expected classroom behavior, etc.]

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For

online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others’ opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].
