Course Requirements and Instructional Methods

[Describe course activities, assignments, tests, homework, etc.]

COURSE EXPECTATIONS:

This is a purely ONLINE CLASS. It behooves the student to be mature, motivated and disciplined in order to complete readings, learning, watch instructional videos, take exams, do quizzes, do assignments, on their own, with no supervision, ON TIME. It also assumes that the student is computer knowledgeable, and has a good laptop, or desktop, or iPad, to complete assignments, and open images, etc. as necessary for this course. Furthermore, it assumes that the student is alert enough to know when to reach out to the instructor for assistance in understanding challenging concepts.

COURSE REQUIREMENTS:

The student is required to have the necessary textbook, prescribed for the course, have staff paper and writing utensils, and access to the internet and Wi-Fi. Of course, IVC does have internet/Wi-Fi stations in the parking lots on campus. Please be sure to read this entire syllabus and check the campus website for more instructions.

Course Policies

[Describe other policies such as attendance, academic honesty, netiquette, expected classroom behavior, etc.]

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. It is the student’s responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as ‘excused’ absences.
- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled

into one word. Basically, netiquette is a set of rules for behaving properly online.

- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].
