Category	Percentage of Total Grade

Presentations and projects	50%
Midterm	15%
Final	20%
Total	100%

- Quizzes and discussion assignments will not be accepted late and must be completed on or before the original due date to get points.

Student must earn 70% of higher as a final grade to pass the class

Course Policies

Participation Policy: People learn better when they are connected as a community. I encourage and expect all students to work together and participate in discussion boards, video posts, and occasional, optional video conferences using English only.

Respectful Use and Speech Policy: All students should be respectful to each other and the instructor. Remember that we are all here to learn, and learning requires practice. Nobody is perfect, and nobody in the class should feel scared or embarrassed about making mistakes. They are a part of learning! I expect all students to be treated with respect. If someone disagrees with an opinion, it is not an opportunity for name-calling or belittling. It is a time to respectfully listen, contemplate, and learn. We do not have to agree in the discussion boards, but we do have to be respectful and kind. Any instances of disrespect in a discussion or group collaboration should be brought to the instructor's attention and may result in the disrespectful student losing points or being reported to the campus disciplinary officer.

Plagiarism and Academic Honesty Policy: Because I want to ensure that you are practicing and learning in this class, I take plagiarism pretty seriously. Plagiarism happens when you copy words or ideas from somewhere else and submit it or repeat it as your own work. We get better at what we practice, and when we copy, we only get better at copying, not the important English skills we should be practicing. Plagiarism is academic dishonesty and is a very serious problem.

Work Based Learning

Work-based learning (WBL) allows students to apply classroom content in professional settings while gaining real-world experiences. These opportunities will provide you with a deeper, more engaging and relevant learning environment. This semester, I will be offering the following WBL activities in order to provide you with the opportunity to better prepare for communicating and participating in the workplace.

- Practicing communication and presentation skills
- Reviewing or learning interview strategies
- Participating in mock-interviews with the Career Services Center
