## Course Requirements and Instructional Methods

This class will have a variety of lectures, quizzes, discussions, tests, speeches, and assignments. For a complete list and point values, see the latest information on Canvas.

## Course Grading Based on Course Objectives

**Final Grades:** Your final grade in class will be determined based on how many points you have earned on all the assignments combined. Please verify and keep track of your grade throughout the semester on Canvas. Your grade is computed using a percentage. This percentage is calculated by dividing the number of points you've earned (to a given point in the semester) by the total number of points possible (to a given point in the semester). The grade breakdown is as follows:

A=90% - 100%

B=80% - 89%

C=70% - 79%

D=60% - 69%

F=below 60%

## Course Policies

**Attendance/Drop Policy:** It is the student's responsibility to drop all classes in which they are no longer attending – I may not get around to dropping you. I will withdraw a student after the add/drop deadline due to excessive absences. In an online class, I count completion of quizzes, assignments, and discussion forums submitted on time as "attending" the class. Students who remain enrolled in a class beyond the published withdrawal deadline, will receive an evaluative letter grade in this class (A, B, C, D, F).

**Late Work Policy:** Any assignment submitted after the due date published on Canvas will be considered late. Should you submit an assignment late, your final grade on the assignment will be penalized by 10%. After that, late work will be penalized at an additional 10% per day. Late work will only be accepted up to 5 days from the day it is due for a maximum 50% deduction. **Only medical emergencies are acceptable exceptions to this rule.**
