Cherie was a chanteuse. She said, "I call m'self Cherie. Thass all the name ya need -- like Hidegarde. I won a amateur contest down in Joplin, Missouri, and that got me a job in a night club in Kanz City. But working in a night club ain't all roses..." Bo Decker had his picture taken by Life magazine because he was a champion professional rodeo rider. Bo had heard about women only he'd hardly ever seen one. Bo was a large, beautiful hunk of man -- but green as new grass when it came to Cherie.

Bo and Cherie got together when they were stranded at a bus stop one night.

## Course Requirements and Instructional Methods

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

## Course Grading Based on Course Objectives

Estimados Estudiantes,

Welcome to English 110. I'm your instructor. My name is Jay Lewenstein.

Before I forget, here is my email: [jay.lewenstein@imperial.edu](mailto:jay.lewenstein@imperial.edu)

Here is my Zoom Invite

- If you are reading this, you have signed up for a **Real-Time Online class**. In a real-time online class, course meetings occur virtually on Zoom. The course meetings occur at scheduled days and times. Instructors will use Canvas to disseminate grades and potentially other class content, such as documents, discussions, and announcements. At the start of the semester, a detailed schedule for the term, with Zoom meetings, will be posted on IVC's syllabi site and in Canvas.

**I imagine at this stage, Zoom is fairly new to all of us. For this reason, I move to keep it SIMPLE and STRAIGHT-FORWARD (KISS!).**

I'll be very present in every class, but I have carefully laid out our semester on Canvas. On this page, I will try to share with you useful resources to help you succeed with Zoom. To begin, here are two guides that may be of some help:

[ConferZoom IVC Student Guide Download ConferZoom IVC Student Guide](#)

[ConferZoom Mobile Guide](#)

**What are the advantages of Zoom, you ask?**

- Students are more motivated when they have responsibility for their own learning.

- Students who learn at different paces can either preview or review materials at their own leisure.
- Online learning accommodates a variety of learning styles.
- Students have increased opportunities for interaction both inside and outside the classroom.
- Instructors know their students better and are therefore abler to evaluate students' progress.
- Reticent students may feel more comfortable about contributing to discussions when they are online.
- Access to a wider range of media options allows for more complex and deeper discussions of course content.
- More class time can be spent interacting with students and the content instead of lecturing.

Below I list a few key elements of this semester's course work.

\* This is a standards-based class. Each assignment has been designed to prepare students with the skills to SUCCEED at the next level.

## Jay's Note:

\* All Canvas assignments and activities are planned out PREVIOUS to the start of the semester - Your teacher maintains to make changes during the semester according to student needs.

\* Deadlines are FIRM - If you don't finish on time, I encourage you to submit work LATE with appropriate PENALTY.

## Jay's Closer Look at Reading Assignments - Bus Stop:

For your reading and required pleasure, I have assigned the following stage play: *Bus Stop* by William Inge.

\* Copies are available in the IVC Books store - \$7.00.

\* It's a story of a downtrodden young woman with a dream. Upon seeing the play for the first time, Marilyn was inspired by the spirit of the main character; very soon thereafter she was able to buy the rights to the stage play and bring the story to the big screen.

\* You can download it as a PDF document ( You can't beat the PRICE!)

\* You will have to print out a HARD COPY - to be kept in your course binder. It comes out to twenty pages - front and back.

## FILM - HISTORY RESEARCH PROJECT:

This semester I ask you to explore the real-life drama behind your favorite historical films.

\* **Choose a film that emphasizes a significant event, person, idea in world history.** Make a choice that you are familiar with. You will be asked to compare specific scenes with the historical facts.

\* **Very Important:** Your GRADE will depend on your RESEARCH! (You will be REQUIRED to use the COLLEGE DATABASES and other CUTTING EDGE technologies.)

**Here are my top five ideas (I just looked at my bookshelf here in Mex.)**

1. **Frida** – I'm looking forward to researching her personal hardships and her relationship with Diego Rivera. I also want to devote part of my paper to her art.
2. **Milk** – A few semesters ago, my students wrote about gender equality. This film details the country's first openly gay politician. Tragically, he was assassinated on the job. It would be cool to compare how far we have come as a country in matters of inclusion. Or have we?
3. **42** – Jackie Robinson changed baseball. He changed the COUNTRY! Wouldn't be interesting to explore both baseball and racism in your paper?
4. **Schindler's List** – Many of my students have studied the Holocaust in high school. Here they have the chance to use their prior knowledge to develop a paper on the Nazi persecution of the Jews during WWII.
5. **The Titanic** – Forget about Jack and Rose (if you can), but the sinking of the Titanic has taken an important place in the history books we read. Can you discuss cause and effect for the ship's collision. Can you detail the step-by-step process for how the ship went down. Can you capture the emotion of the survivors?
6. **Jay's Pick: Bonnie and Clyde** - I chose this one because *Bonnie and Clyde* is my favorite movie. Faye Dunaway and Warren Beatty are my favorite actors. But here is what is really cool: The movie takes place during The Great Depression - I get to research a very important time period in our nation's history.

### **Jay's Note:**

\* **For MAXIMUM Writing Performance** - We will work together on specific components of your Research Paper on a Daily Basis: Pre-Writing Activities - Research on Campus Data Bases - Summary of Research Article MLA Documentation - Thesis and Topic Sentences - Introduction of Quotations - Definition of Key Terms - Character Analysis - Introductory Paragraph - Conclusion - Visual Analysis - etc.

\* At the end of FOUR weeks - you will have 5-7 page Critical-Thinking Research Paper ready to PUBLISH.

\* **Often you will be graded TWICE** - Once for in-class performance - Once for final product

\* Point Values will Vary!

**Jay's Tip: MLA DOCUMENTATION will be CRITICAL to your PERFORMANCE.**

## Extra Curricular - Grade-Boosting Opportunities:

Recently, I have begun to create Facebook Group Pages for each of my classes. Your English 110 - Winter Intersession 2022 - Page will be called "Find Your Voice."

In this class, I encourage you to write and share ideas with confidence. Learning is a lot more FUN that way.

**I can't see very many advantages to learning in ISOLATION. I'm hoping whatever we share on Facebook will bring us closer together.**

Below I list a few important Facebook benefits for your participation in our group:

- \* **Provide direct communication with instructors.** Instructors and students can contact each other through Facebook, providing an opportunity for better sharing of information and [promoting better working relationships](#).
- \* **Allows shy students a way to communicate.** [Shy students](#) who may not want to approach their teacher after class or during office hours can use Facebook to communicate.

\* **Facilitate classmate connections.** When students get to know each other more intimately, they become more involved in the learning experience. This is helpful in both large classes that wouldn't normally promote such intimacy and in smaller settings that regularly depend on that connection.

\* **Make announcements.** Instructors can send out reminders about upcoming tests, upcoming due dates, or any classroom news.

### Jay's Tips:

\* **Please send me a membership request - You can find us by typing this into your Facebook Search Box: IVC English 110 - FIND YOUR VOICE - Facebook Group Page**

\* Here is the URL: <https://www.facebook.com/groups/811538576048785>

\* Keep an Eye Open for EXTRA-CREDIT OPPORTUNITIES - Each week, I will try to provide a post that invites your response in the "comment" section.

\* Most students are already users of Facebook, so implementing it into class provides a comfortable way for students to participate in class - DON'T HESITATE TO REACH OUT TO YOUR CLASSMATES! This will be your page as much as mine!

\* **LET'S WORK TOGETHER. THIS WILL BE GREAT. YOU WILL SEE.**

### Zoom Rules:

I encourage you to MAXIMIZE On our Winter 2022 Zoom Experience.

\* I've devoted much of our class time to Zoom Workshops - to help you raise your writing performance! LET'S WORK TOGETHER - IT WORKS!

Below I share with you 8 'CLASSROOM RULES' FOR ZOOM MEETINGS (that I found on the internet.)

\* **The more we COOPERATE, the more we LEARN.**

Do you remember the days of “classroom rules?” Now that we have moved to a Zoom classroom, it’s also important that we all agree to follow some basic rules for the good of conversations, to make sure everyone is able to get all the help they need, and to assure a level of gravitas appropriate to the dignity of learning at IVC.

#### **Rule #1: Be on Time**

Just as during regular classes, it is important that you are on time to your Zoom meeting class.

Teachers are working hard to get the most out of their limited amount of time.

### **Rule #2: Set Up in As Professional a Space as Possible**

While we know space is tight, try to find a place where you can sit up and your background is as free from distraction for others as possible.

Remember, we can see everything behind you!

### **Rule #3: Use Only Your Real Name**

Just as during regular learning, we want to honor the dignity and importance of our own and each other's names. Do not change your Zoom ID or Google profile name to a nickname or anything other than the name your teachers call you by in your classes.

### **Rule #4: Dress for Success**

While we are not requiring students to be in uniform, please “dress for success,” as they say. Casual clothing is OK, but no PJ’s or clothing that would otherwise distract from the seriousness of the meetings.

### **Rule #5: Be Professional and Respectful in Your Speech**

Because Zoom classrooms feel more like social media, you may be tempted to be more casual in your speech. Remember to be respectful, orderly, and kind.

### **Rule #6: Don’t Chew With Your Mouth Open ... Or At All For That Matter**

Please don’t eat during a Zoom meeting. We don’t need to see the crumbs on the corner of your mouth.

### **Rule #7: No Side “Conversations”**

Just as during regular classroom learning, side conversations can be very disruptive to the conversation we are trying to have. Please do not privately text, chat, or engage in other electronic communication during Zoom meetings.

### **Rule #8: Do Not Record the Meetings**

Though you may want to preserve a meeting for later use, in some states this would be illegal. Please do not record any Zoom meeting using your computer or another recording device.

## **Jay's Final Note:**

**Jay's Canvas Zoom Semester may or may not be anything you are accustomed to. In the time of our Pandemic, who can say they are comfortable with anything?**

**\* The assignments and projects listed here BENEFIT both INSTRUCTOR and STUDENT.**

**\* I encourage you to WORK with ME on a DAILY BASIS. Together we will cross the finish line. I will get you the grade you deserve.**

**This is going to be GREAT. You will see.**

**Paz,**

**JL**

## **Attendance**

### **Jay's Canvas Attendance:**

- Canvas Roll Call will be conducted within **FIRST FIFTEEN MINUTES OF CLASS**.
- All absences, tardies, etc, will be recorded and reflected in Canvas course grade.
- Early unexcused student exits will also be recorded.

### **IVC General Rules:**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

## **Classroom Etiquette**

### **Jay's Golden Rule:**

- Bring your required textbooks to every class – Jay will offer bonus points each week for students who arrive fully prepared.

- Please keep your eye posted for announcements regarding printed materials - Students will be required to share physical components – PRINTED PAGES - of their essays in classroom writers workshops.

### **IVC General Rules:**

- Electronic Devices: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- Food and Drink are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- Disruptive Students: Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the [General Catalog](#).
- Children in the classroom: Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

### **Online Netiquette**

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

### **Academic Honesty**

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related

documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### **Extended Opportunity Program and Services (EOPS)**

The Extended Opportunity Program and Services (EOPS) offers services such as priority registration, personal/academic counseling, tutoring, book vouchers, and community referrals to qualifying low-income students. ### **Student Equity Program**

- The Student Equity Program strives to improve Imperial Valley College's success outcomes, particularly for students who have been historically underrepresented and underserved. The college identifies strategies to monitor and address equity issues, making efforts to mitigate any disproportionate impact on student success and achievement. Our institutional data provides insight surrounding student populations who historically, are not fully represented. Student Equity addresses disparities and/or disproportionate impact in student success across disaggregated student equity groups including gender, ethnicity, disability status, financial need, Veterans, foster youth, homelessness, and formerly incarcerated students. The Student Equity Program provides direct supportive services to empower students experiencing insecurities related to food, housing, transportation, textbooks, and shower access. We recognize that students

who struggle meeting their basic needs are also at an academic and economic disadvantage, creating barriers to academic success and wellness. We strive to remove barriers that affect IVC students' access to education, degree and certificate completion, successful completion of developmental math and English courses, and the ability to transfer to a university. Contact: 760.355.5736 or 760.355.5733 Building 100.

- The Student Equity Program also houses IVC's Homeless Liaison, who provides direct services, campus, and community referrals to students experiencing homelessness as defined by the McKinney-Vento Act. Contact: 760.355.5736 Building 100.

### **Student Rights and Responsibilities**

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC [General Catalog](#).

### **Information Literacy**

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC [Library Department](#) provides numerous [Information Literacy Tutorials](#) to assist students in this endeavor.

### **Anticipated Class Schedule/Calendar**

#### **Final Grade Determination:**

To achieve a passing grade, students must write with clarity and purpose on the final essay exam. Here students are afforded the opportunity to present the writing and critical thinking techniques taught throughout the semester. Students who lack effective sentence and paragraph development skills will fail the exam, and thus, the course.

Student can login by visiting: <http://imperial.CANVAS.com>

For username, use the first part of your student email address (e.g. jdoe2)

For password, use your WebSTAR PIN (which should automatically be synced when updated via WebSTAR)

If you do not know student email address, these two locations can help you find out that information:

<https://www.imperial.edu/students/student-email-lookup/> (Does not require additional login, but will only work if the student is registered for 0.5 or more units for the current semester)

<https://my.imperial.edu/student-email> (Does require additional login to the Student Portal, but will work regardless of whether or not the student is registered for any classes)
