Textbooks & Other Resources or Links

- You need M4a audio compatibility on your device to access audio recordings
- Shakespeare, William. *The Merchant of Venice*. Dover Thrift Publications, 1995. ISBN- 0-486-28492-1 (required)

Course Requirements and Instructional Methods

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement. (That is approximately 9 hours per week of work expected for our class)

Course Grading Based on Course Objectives

Classwork, Homework and Late Work:

Be aware that assignment due dates also have link closing times (“Until”). When those links close, they close, even for late work.

- I may refuse to accept late work. Homework due dates are listed in the class outline.
- If I do accept your late work, it will lose points (up to ½ grade.) Make-up work needs to be done in a timely manner. Make-up work is still considered late.
- I do not accept incomplete assignments.
- Work that is unreasonably late may lose extra points (up to a full grade).
- I may add, change or eliminate assignments, topics or due dates as needed to better serve the needs of the class. Changes may occur without prior warning.
- Papers that do not demonstrate a good command of mechanics probably will not pass, especially if there are a lot of sentence-level problems. Please edit carefully.

Assignment Portfolio

This is a tentative portfolio. I may add, change or eliminate topics, assignments or due dates in this portfolio in order to better serve the needs of the class. Changes may occur without prior warning. Be careful not to miss any assignments. Late work loses points and may or may not be accepted during finals week at my discretion.

Grading:

100% - 90% = A 89% - 80% = B 79% - 70% = C 69% - 60% = D 59% - 1% = F 0%= F (missing or not accepted).

Papers that show signs of plagiarism will receive a 0.

Assignments

30% Research paper (Draft is not required, but strongly recommended)

20% Essay (Draft is not required, but strongly recommended)

40% Quizzes (Multiple quizzes averaged, including final exam)

10% Weekly discussion boards (averaged) (These boards need to show substantive thought and development including text interpretation. Each board posting would be at least 150 words.)

Course Policies

Attendance

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

What does it mean to "attend" an online class?

Attendance is critical to student success and for IVC to use federal aid funds. Acceptable indications of attendance are

- Student submission of an academic assignment
- Student submission of an exam
- Student participation in an instructor-led Zoom conference
- Documented student interaction with class postings, such as an interactive tutorial or computer-assisted instruction via modules
- A posting by the student showing the student's participation in an assignment created by the instructor
- A posting by the student in a discussion forum showing the student's participation in an online discussion about academic matters
- An email from the student or other documentation showing that the student has initiated contact with a faculty member to ask a question about an academic subject studied in the course.
- If you choose to stop attending class, it is your responsibility to drop yourself officially. If you stop attending class and do not drop, you may receive an "F" in the class.

Academic Honesty

When submitting an assignment in Canvas, a plagiarism report viewable by your instructor will be generated. Before submitting the assignment, you are required to check a box stating that the assignment you are submitting is your own original work. Papers that show signs of plagiarism or are missing citations or works cited pages will receive a 0.

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

How do I show academic honesty and integrity in an online “classroom”?

- **KEEP YOUR PASSWORDS CONFIDENTIAL.**
 - You have a unique password to access online software like Canvas. Never allow someone else to log-in to your account.
- **COMPLETE YOUR OWN COURSEWORK.**
 - When you register for an online class and log-in to Canvas, you do so with the understanding that you will produce your own work, take your own exams and will do so without the assistance of others (unless directed by the instructor).

Examples of Academic Dishonesty that can occur in an online environment:

- Copying from others on a quiz, test, examination, or assignment;
- Allowing someone else to copy your answers on a quiz, test, exam, or assignment;
- Having someone else take an exam or quiz for you;
- Conferring with others during a test or quiz (if the instructor didn’t explicitly say it was a group project, then he/she expects you to do the work without conferring with others);
- Buying or using a term paper or research paper from an internet source or other company or taking any work of another, even with permission, and presenting the work as your own;
- Excessive revising or editing by others that substantially alters your final work;
- Sharing information that allows other students an advantage on an exam (such as telling a peer what to expect on a make-up exam or prepping a student for a test in another section of the same class);
- Taking and using the words, work, or ideas of others and presenting any of these as your own work is plagiarism. This applies to all work generated by another, whether it be oral, written, or artistic work. Plagiarism may either be deliberate or unintentional.

Netiquette

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others’ opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

How am I expected to act in an online “classroom” (especially Zoom)?

Attending a virtual meeting can be a challenge when there are many students on one conference call. Participating in such meetings may count as class attendance, but disruptive behavior may also result in you not being admitted to future meetings. Follow the tips below for best results:

1) Be RESPECTFUL

- a. Your written, verbal, and non-verbal communications should be respectful and focused on the learning topics of the class.

2) Find a QUIET LOCATION & SILENCE YOUR PHONE (if zooming)

- a. People walking around and pets barking can be a distraction.

3) EAT AT A DIFFERENT TIME.

- a. Crunching food or chugging drinks is distracting for others.
- b. Synchronous zoom times are set in advance so reserve meals for outside class meetings.

4) ADJUST YOUR LIGHTING SO THAT OTHERS CAN SEE YOU

- a. It is hard to see you in dim lighting so find a location with light.
- b. If your back is to a bright window, you will be what is called “backlit” and not only is it hard on the eyes (glare) but you look like a silhouette.

5) POSITION THE CAMERA SO THAT YOUR FACE AND EYES ARE SHOWING

- a. If you are using the camera, show your face; it helps others see your non-verbal cues.
- b. You may be at home, but meeting in pajamas or shirtless is not appropriate so dress suitably. Comb your hair, clean your teeth, fix your clothes, etc. before your meeting time to show self-respect and respect for others.

6) Be READY TO LEARN AND PAY ATTENTION

- a. Catch up on other emails or other work later.
- b. If you are Zooming, silence your phone and put it away.
- c. If you are in a room with a TV – turn it off.

7) USE YOUR MUTE BUTTON WHEN IN LOUD PLACES OR FOR DISTRACTIONS

- a. Pets barking, children crying, sneezing, coughing, etc. can happen unexpectedly. It’s best if you conference in a private space, but if you can’t find a quiet place, when noises arise **MUTE** your laptop.

8) REMEMBER TO UNMUTE WHEN SPEAKING

- a. Follow your instructor’s directions about using the “**raise hand**” icon or chat function to be recognized and to speak, but make sure you have unmuted your device.
- b. Do not speak when someone else is speaking.

9) REMAIN FOCUSED AND PARTICIPATE IN THE MEETING

- a. Especially when the camera is on YOU, we can all see your actions. Engage in the meeting. Look at the camera. Listen to instruction. Answer questions when asked.
- b. Do not use the Zoom meeting to meet with your peers or put on a “show” for them.

10) PAUSE YOUR VIDEO IF MOVING OR DOING SOMETHING DISTRACTING

- a. Emergencies happen. If you need to leave the room or get up and move about, stop your video.

Physical Classroom Etiquette

- Please come to class on time
- I expect that students will stay until the end of class. If you need to leave early, let me know before class. It is just rude to stand up and walk out!

- No food, coffees cups or soda cups with straws in the classroom
- Please use the bathroom before or after class
- No cell phones in class. If I have to keep asking you to put the cell phone away, we could be having a disciplinary conversation.
- Bring your own materials to class, including the textbooks

Other Course Information

Helpful Suggestions for Success

- Take each assigned reading or background lecture in the order presented in the class outline (preferably).
- Take careful notes, especially on the audio lectures. I would suggest putting notes for each story, poem or film on its own designated page in your notebook. This will help to keep things organized. Treat the audio lectures the same way you would an in-class lecture.
- Time management is key. Budget your time so that you can complete all the assigned materials in the week they are assigned. If you do this, you should be able to avoid getting backed up and having to rush.
- **Spend extra time on the study guides and exam test review audios. This will help you to focus your study.**
- ► Note: This class requires a lot of reading, listening to audio lectures, watching films and note-taking. We are also doing a research paper and an essay. All of this can be time-consuming so schedule your semester classes to budget plenty of time for this.
- There is a *Tech Support Sheet for Students* in modules. It is a “How to” list.
- *The following is a tentative outline. I may add, change, or eliminate topics, assignments or due dates in order to better serve the needs of the class. Changes may occur without prior warning.*
- ***Any background Canvas readings assigned are fair game for the tests.***
