Course Requirements and Instructional Methods

This course is offered as a Hybrid modality. Students will be expected to attend class on campus as well as participate in discussions and complete quizzes online in Canvas. We will be alternating between weeks when we meet for class on campus on both Tuesdays and Thursdays and weeks when we meet on campus only on Tuesday with an online discussion and/or quiz on Canvas.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Final grades will be determined according to accumulated points for each discussion assignment, quiz, and exam. Discussions will all be available on Canvas. Exams will be administered in class on campus.

Bi-weekly Discussion Questions and Participation (20 points per each set of Discussion questions; one sets of Discussions every other week)

Chapter Quizzes (20 points each quiz; usually one quiz every other week)

Exam 1 (200 points)

Exam 2: (200 points)

Exam 3: (200 points)

Discussions: Each week when a Discussion is assigned, students will be given a selection of discussion questions to respond to. Students will also be required to respond to at least two posts from their classmates. Each set of Discussion questions/responses will be graded. Discussion grades will reflect the quality and depth of each student's weekly participation in discussions.

Quizzes: These will be multiple-choice quizzes to be completed online, based on material in the required textbook.

Exams will consist of short-answer (ID) questions, multiple-choice questions, and short essay questions to completed in class on campus.

Each assignment, quiz, and exam must be completed by the end of the day (11:59 pm) of the due date. No extensions, make-ups, or re-takes will be allowed.

Course Policies

ATTENDANCE:

- Students are required to log into Canvas and review course materials, announcements, and complete any required assignments each day of the class week, Monday through Thursday.
- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.

ACADEMIC HONESTY:

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- Plagiarism is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the [General Catalog](#) for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.
