

Basic Course Information				
Semester:	Spring 2023	Instructor Name:	Liisa Mendoza	
Course Title & #:	Fingerspelling and Numbers – AMSL 104	Email:	liisa.mendoza@imperial.edu	
CRN #:	20501	Webpage (optional):	N/A	
Classroom:	Via ZOOM	Office #:	2910 (in DSPS building)	
Class Dates:	2/13/23 – 6/9/23	Office Hours:	Via Zoom: MW 9 – 10 am TR 9 – 10 am (on ground)	
Class Days:	MW	Office Phone #:	(760) 355-6120	
Class Times:	1:00 – 2:25 pm	Emergency Contact:	Email	
Units:	3	Class Format:	Real time, synchronous, online	

Course Description

An introduction to the American manual alphabet (fingerspelling), including numbers, loan signs, abbreviations and acronyms commonly used In the Deaf community. Extensive drills and practice in both receptive and expressive skills. The student will develop and improve expressive and receptive fingerspelling and numbers. Students will learn how to sign cardinal numbers, ordinal numbers, time, money, dates, addresses, and telephone numbers. Fingerspelling will be developed with an emphasis on real world situations.

Course Prerequisite(s) and/or Corequisite(s)

Recommended preparation: None

Student Learning Outcomes

Upon course completion, the successful student will have acquired new skills, knowledge, and or attitudes as demonstrated by being able to:

- 1. Recognize fingerspelled words at an intermediate-advanced pace, with a reference category given. (ILO1, ILO2)
- 2. Produce fingerspelled words, fingerspelled loan signs, phone numbers, dates, and a variety of numbers at an intermediate pace.(ILO1, ILO 2)
- 3. Define common acronyms and abbreviations used in ASL and American Deaf culture. (ILO1, ILO2, ILO 5)

Course Objectives

Upon satisfactory completion of the course, students will be able to:

- 1. Articulate and recognize all the letters and words of the American manual alphabet clearly and accurately in regard to letter formation, palm orientation and hand position.
- 2. Identify the rules for numbering in American Sign Language clearly and accurately in regard to: articulation; cardinal and ordinal numbers; fractions, ratios, decimals and percentages; dates and clock times; phone numbers and addresses; ages and money.
- 3. Demonstrate and distinguish fingerspelled loan signs clearly and accurately.
- 4. Distinguish between the following number patterns: cardinal vs. ordinal numbers, approximate vs. exact numbers, and normal vs. emphasized numbers.
- 5. Identify and express the correct number incorporation patterns for time signs.
- 6. Identify and describe common acronyms and abbreviations in ASL and American Deaf culture.

Textbooks & Other Resources or Links

Required text: Master ASL! Fingerspelling, Numbers and Glossing. J. Zinza. ISBN: 1-881133-21-4.

Course Requirements and Instructional Methods

Teaching Strategy:

The instructor will be teaching synchronously via Zoom. This class was listed in the catalog as real time, with time blocks given. There are many advantages to attending the live class. It is the easiest way to earn lab points, you will have access to the embedded tutor during that time, and some exercises you CANNOT do individually. Language is about communication and interaction, and you cannot do that signing to yourself into a camera.

The instructor will generally be teaching with a mixed voice on/voice off approach, after the first few weeks. This will increase your receptive and expressive comprehension, as you will be asked to respond in ASL. You will be participating in a variety of class exercises designed to increase both your receptive and expressive skills. Please arrive to class on time, ready to start signing.

The instructor knows that you will not understand 100% of her signing. The necessary information is delivered to you via in class notes accompanying the lecture and information loaded onto Canvas.

We will be introducing new concepts, patterns, and vocabulary weekly, and then applying it through a variety of exercises. You MUST practice outside of class. We will also be learning new grammatical structures weekly as we go through the chapters of the book. You will be asked to prepare some ASL assignments outside of class; you will be given clear instructions to follow to produce successful assignments.

You may have to sign individually to your instructor, or in small groups, or in front of the class. We will have presentations this semester, as well as signing labs, small group work, and larger group work. You will not This will require a time commitment, so please read the statement below from the Department of Education.

You will quiz weekly in this class, and will take 3 exams over the course of the semester. A few quizzes will be given in the Zoom classroom. Most quizzes will be given through the Canvas system, but not using the Canvas quiz feature. You will be given the question file and a link to a recording. You will then click on the recording and start the quiz. The exams will be administered the same way. **There are no time limits on exams or quizzes**, as you may need to watch the recordings a few times if your wifi glitches or goes down.

Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

Grading will be based on a standard distribution (see below). You are allowed to submit one late homework for full credit. If you are ill, you will make up any in class presentations the day you return to class. If written homework is due the day you are absent, you can submit it via Canvas to the instructor. No other late homework will be accepted.

Grading will be based on a standard distribution (i.e., 90-100% = A, 80-89.9% = B). There will be 1,000 points possible during the course.

Participation 300 (includes participation in in class labs, no voice, following class rules)

Homework 170 (includes written and signed homework and packet)

Exams 250 (3 exams, from 75-100 points each)

Quizzes 150 1:1 midterm 30

1:1 final 50 (signing one on one with the instructor)

Improvement 50 (from baseline, determined by the instructor during the second

TOTAL 1,000

Course Policies

My classroom rules remain the same, regardless of online or on ground:

- 1 Pay attention to the best of your ability Turn on your cameras when in the Zoom room. I need to see you to know if you are even there. If you are having camera tech difficulties, let me know via the Chat or email. If you have to turn off your camera, let me know why. No cell phones, unless I say to use them or you are using them to screen shot the notes. (And then you still need to write the notes down, or you'll never remember the info.)
- 2 **If you have a question, ask the instructor**, not your classmates. Of course you will have an opportunity to discuss things with your classmates in the Zoom classroom, and you may clarify things with each other. But if you have a significant question, you should probably ask the person who is going to give you the grade, not your classmate. The only stupid question is the one you don't ask and it will probably show up on the test!
- 3 NO CHEATING!!!!!!! There is not a strong enough English word to tell you how I feel about cheating. It is far better to leave an answer blank or to tell me a joke or draw me a picture when you don't know the answer. This is even more important during this time of online learning. I do not want to have to have you record yourself taking exams, or to administer them live to monitor all of you. Please do not make me. Your honor is something that no one can take from you. Don't give it away.

Your instructor's perspective on attending class via Zoom:

Learning via Zoom can be challenging. Many of you will be attending from your home or your workplace. That means there may be many different, important things competing for your attention. I personally don't care if you bring your dog, cat, or baby/younger sibling into the Zoom room. They are a part of your life too.

I don't care if you're in your jammies in the Zoom room – as long as you don't sleep nude! I don't care if you have your makeup on or not. I don't care if you have your hair done or the worst bad hair day ever. I DO care that you make it in to class. (In clothes. Please wear clothes. Something that covers all of you, even if we don't see it!)

Students will be expected to follow IVC's online netiquette policy:

- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

Other Course Information

Your instructor believes that we can still create a learning community – and a signing community - on Zoom. We will be interacting, and you will get to know your classmates and possibly make some new friends. ASL belongs to the Deaf community, and the Deaf community is a friendly group of people, who enjoy interacting.

You don't have to be a "people person" to take ASL. You do have to be willing to communicate with your classmates. There will be times that your grade will depend on your classmates and your interaction with them. Make sure that you are polite and supportive: EVERYONE is learning, and ANYONE can be having a bad day, and may not be signing as well as they can.

IVC Student Resources

IVC wants you to be successful in all aspects of your education. For help, resources, services, and an explanation of policies, visit http://www.imperial.edu/studentresources or click the heart icon in Canvas.

Anticipated Class Schedule/Calendar

DATE	IN CLASS	HOMEWORK
2/13 (M)	Syllabus, class policies	Read and agree to syllabus
	Fingerspelling introduction	Read notes
	Manual alphabet modeled	Buy text, practice name
	Fingerspelling with sound	HW #1: 2 categories of 5 words
		each
2/15 (W)	HW #1 due	Text as assigned
	Manual alphabet modeled again	Practice first and last names and
	Fingerspelling changes in actual word production	HW 1
	Common errors in fingerspelling	Practice numbers 1-20
	Numbers 1-20	
2/20 (M)	NO CLASS: Presidents' Day	As assigned
2/21 (W)	Quiz #1 (Week 1, letter recognition)	HW #2:
	Common English patterns	10 patterns, 5 words each (50 total)
	Numbers 21-30	Practice HW #2
	Cardinal v ordinal numbers	Practice numbers 1-30
	3 C's of receptive fingerspelling	Review notes
2/26 (M)	HW #2 due	Assignment from text
	Pattern exercises	Practice patterns
	Number exercises	Practice numbers
	Challenging patterns	HW #3: 6 words from 1 challenging
	Signing names	pattern
		Practice signing names
3/1 (W)	Quiz #2 (fingerspelling – patterns, categories,	Practice as assigned
	numbers 1-30, cardinal v ordinal)	Practice numbers 1-66
	HW #3 due	HW #4: 10 famous names (first and
	Commonly confused letters	last)
	Numbers 31- 66	Practice HW
	Exotic and foreign names	
	Famous names	
3/6 (M)	HW #4 due	Practice text as assigned

	Numbers 67-100	Practice numbers 1-100
	Practice famous names	
	Practice and review	
3/8 (W)	Quiz #3 (famous names, numbers 1-66, etc.)	Begin review for Exam #1
	Study guide for Exam #1	Practice for Exam#1
3/13 (M)	Practice Exam #1	Study for Exam #1
	Review practice for Exam #1	
	Telephone number pattern
