Work-based learning (WBL) allows students to apply classroom content in professional settings while gaining real-world experiences. These opportunities will provide you with a deeper, more engaging and relevant learning environment. This semester, I will be offering the following WBL activities in order to provide you with the opportunity to explore career options in art history and the humanities.

WBL Activity Name	WBL Activity Description
WBL Activity 1: Virtual museum or art gallery visit	Research and experience based analysis. Students will be asked to watch a virtual video of museum or gallery walk and write about their experience while engaging in a discussion.
WBL Activity 2: Virtual tour of museum stock room (behind the scenes)	A virtual tour of what occurs behind the scenes in a museum. This will be supplemented with questions.

## Academic Honesty

- Plagiarism is to take and present as one’s own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to correctly ‘cite a source’, you must ask for help.
- Cheating is defined as fraud, deceit, or dishonesty in an academic assignment or using or attempting to use materials, or assisting others in using materials, or assisting others in using materials, which are prohibited or inappropriate in the context of the academic assignment in question. Anyone caught cheating will receive a zero (0) on the exam or assignment and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General School Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to the following:
  - plagiarism (copying anything word for word from your book without citing)
  - copying or attempting to copy from others during an examination or on an assignment;
  - communicating test information with another person during an examination;
