Course Policies

Zoom Policy: Classes will be held on Zoom, an online video and meeting platform. Students are expected to attend all class meetings and treat them as a regular class. Distractions should be minimized; for example, join from a quiet space or with headphones on. Students should be able to fully participate and practice their speaking and listening skills for the entire class period. Microphones will be used regularly since we are practicing speaking and listening together. Cameras are encouraged for every class but are required for scheduled presentations.

Participation Policy: People learn better when they are connected as a community. I encourage and expect all students to attend Zoom classes, work together and participate in discussion boards, video posts, and occasional, optional video conferences using English only.

Respectful Use and Speech Policy: All students should be respectful to each other and the instructor. Remember that we are all here to learn, and learning requires practice. Nobody is perfect, and nobody in the class should feel scared or embarrassed about making mistakes. They are a part of learning! I expect all students to be treated with respect. If someone disagrees with an opinion, it is not an opportunity for name-calling or belittling. It is a time to respectfully

listen, contemplate, and learn. We do not have to agree in the discussion boards, but we do have to be respectful and kind. Any instances of disrespect in a discussion or group collaboration should be brought to the instructor’s attention and may result in the disrespectful student losing points or being reported to the campus disciplinary officer.

Plagiarism and Academic Honesty Policy: Because I want to ensure that you are practicing and learning in this class, I take plagiarism pretty seriously. Plagiarism happens when you copy words or ideas from somewhere else and submit it or repeat it as your own work. We get better at what we practice, and when we copy, we only get better at copying, not the important English skills we should be practicing. Plagiarism is academic dishonesty and is a very serious problem.
