Textbooks & Other Resources or Links

"P.C. 832: Arrest & Firearms", a five-part set of Learning Domains, is the Student Textbooks/Workbooks for the course. These workbooks are updated every six (6) months by the California Commission on Peace Officer Standards and Training (P.O.S.T.) These workbooks are reproduced through a security contract with Kinkos and available through the bookstore. Text books are ordered according the number of students in the course, and no leftover manuals will be retained for future sale. Only current manuals approved

Updated 6/2023

IMPERIAL VALLEY COLLEGE

by P.O.S.T. will be allowed for sale and no package of manuals will be allowed to be retained for future sale, unless reviewed and approved by the P.O.S.T. Coordinator/Director. This will prevent out-of-date or discontinued learning materials from being presented or sold to current students.

Course Requirements and Instructional Methods

The course will consist of classroom lecture, classroom discussions, and classroom activities. The arrest & control portion of the course will require students to physically participate in guided instruction on a variety of techniques involving arresting and controlling subjects. The firearms portion of the course will require students to demonstrate proficiency in a course of fire as presented by the instructors. There is no required homework for the course.

Course Grading Based on Course Objectives

The arrest & control portion of the course will require students to physically participate in guided instruction on a variety of techniques involving arresting and controlling subjects. There will also be an assessment of the student's ability to demonstrate the required methods of arresting and controlling subjects. The assessment is pass or fail. The firearms portion of the course will require students to demonstrate proficiency in a course of fire as presented by the instructors. There will be an assessment of the student's ability during fire. The assessment is pass or fail. The final test will be a comprehensive multiple-choice assessment, covering the materials covered in the classroom lectures and required learning domains, as required by the Commission on Peace Officer's Standards and Training (POST). The passing score will be determined by POST. If the students fail any portion of the required assessments, including arrest & control, firearms, or the comprehensive test, they will have one opportunity to review the material and re-test. If they fail the re-test, they will fail the course. These guidelines are required by POST.

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Course Policies

Attendance: • The Commission of Peace Officer Standards and Training (POST) requires that students attend 95% of the entire course. This course is 88 hours; therefore, students cannot miss more than 5 hours of class during the entire course, or they will be dismissed and receive a failing grade. **Classroom Etiquette:** • **Electronic Devices:** Cell phones and electronic devices must be turned off and put away during class unless otherwise directed by the instructor. • **Food and Drinks** are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor. • **Disruptive Students:** Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. • **Disciplinary procedures** will be followed as outlined in the General Catalog. • **Children in the classroom:** Due to college rules and state laws, only students enrolled in the class may attend; children are not allowed.

Other Course Information

Academic Honesty: Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property. There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct. • **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help. • **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question. Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available. • **Learning Services.** There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your Campus Map for the Math

Lab; Reading, Writing & Language Labs; and the Study Skills Center. • Library Services. There is more to our library than just books. You have access to tutors in the Study Skills Center, study rooms for small groups, and online access to a wealth of resources.
