Course Requirements and Instructional Methods

[Describe course activities, assignments, tests, homework, etc.]

INSTRUCTIONAL METHODS and COURSE EXPECTATIONS:

We will be using the Ear Master Pro, Ear-Training Software for classes. Because Musicianship and Ear-Training are SKILLS acquired, it behooves students to really work

very hard, using the training software to MASTER the skills. The Course Instructor will also arrange a few ZOOM Class Meetings, to assist in Tutorials, as needed.

For this class, and other ONLINE Classes, it is expected that students have reliable computer accessibility (laptops, desk-tops, iPads, Tablets, Chromebooks, etc), and good internet connection and Wi-Fi. Furthermore, it assumes that students have great maturity levels, and can work responsibly on their own.

You MUST note deadlines for turning in Assignments and doing Exams.

If you have technical problems, please contact IVC's Distance Education Director, Ms. Xochitl Tirado at Xochitl.tirado@imperial.edu She responds very quickly. Course Policies

[Describe other policies such as attendance, academic honesty, netiquette, expected classroom behavior, etc.]

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See [General Catalog](#) for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For

online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
- What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.
- Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!)].

Other Course Information

[Optionally, include other necessary information.]

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.
