Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Plagiarism and Academic Honesty Policy: Because I want to ensure that you are practicing and learning in this class, I take plagiarism very seriously. Plagiarism happens when you copy words or ideas from somewhere else and submit it or repeat it as your own work. We get better at what we practice, and when we copy, we only get better at copying, not the important English skills we should be practicing.

Plagiarism is academic dishonesty and is a very serious problem. Plagiarism includes:

- copying and pasting information from webpages;
- copying answers from an answer key or Teacher's book;
- copying the work from another student in your class, in another class, or from a previous term;
- copying information from a webpage or book in Spanish and submitting the English translation as your work.

To help keep track of plagiarism, I use *Turnitin Similarity* in our class. *Turnitin Similarity* will run a report and show how much of the paper is exactly like another paper or webpage.

Course Policies

Attendance Policy: A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class.

Updated 6/2023

It is the student's responsibility to drop or officially withdraw from the class.

- o **Regular participation is required. Participation includes:**
 - o **Posting and responding in weekly discussions**
 - o **Completing weekly work on canvas**
 - o **Completing weekly work in Hawkes Learning**
 - o **Submitting your work on time**
- o If there is a problem with completing your work (such as being in the hospital or being sick), please let me know. I am willing to help you, but you need to make sure you communicate with me.

Participation Policy: People learn better when they are connected as a community. I encourage and expect all students to work together and participate in discussions and group activities using English Only!

To ensure your success, plan to **participate in ALL class activities!** There are many ways that we can participate, collaborate, and share ideas in an online environment. Here are a few:

- o Contribute and share ideas in groups and online discussion boards.
- o Reading information from the instructor as well as classmates.
- o Be prepared and complete homework before due dates.
- o Turning in assignments, quizzes, homework on-time.

You may be dropped if you are no longer actively participating in the course, logging into Canvas, and engaging in course material. Active participation includes logging into Canvas and engaging with course content, completing and turning in homework, assignments, and quizzes. If you are unable to log into Canvas for a long period, it is your responsibility to find out everything you missed. You have a personal problem or issue, please communicate with me and let me know what's going on before too much time has passed.

Respectful Use and Speech Policy: All students should be respectful to each other and the instructor. Remember that we are all here to learn, and learning requires practice. Nobody is perfect, and nobody in the class should feel scared or embarrassed about making mistakes. They are a part of learning! I expect all students to be treated with respect. If someone disagrees with an opinion, it is not an opportunity for name calling or belittling. It is a time to respectfully listen, contemplate, and learn. We do not have to agree in discussions, but we do have to be respectful and kind. Any instances of disrespect in a discussion will result in the student being asked to leave the class.

Netiquette and Respectful Use: IVC's Respectful Use and Netiquette Policy: IVC's official policy about netiquette is as follows:

What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online. Students are to comply with the following rules of netiquette:

1. Identify yourself
2. Include a subject line
3. Avoid sarcasm
4. Respect others' opinions and privacy
5. Acknowledge and return messages promptly
6. Copy with caution
7. Do not spam or junk mail
8. Be concise
9. Use appropriate language
10. Use appropriate emoticons (emotional icons/emojis) to help convey meaning, and
11. Use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)]

Late Work Policy: Late work is accepted except for discussion assignments. There is, however, a late penalty of -5% deduction for every day that an assignment is late.
