

Basic Course Information			
Semester:	Fall 2024	Instructor Name:	Carlos Araiza
Course Title & #:	Weld 100	Email:	carlos.araiza@imperial.edu
CRN #:	10400	Webpage (optional):	www.imperial.edu
Classroom:	3120	Office #:	3121
Class Dates:	August 12 December 7	Office Hours:	M-TH 12pm-1pm
Class Days:	Monday, Wednesday	Office Phone #:	442-231-9622
Class Times	4.20 4.0 0.40	Faranca a Contact	760-355-6319 Secretary/Division Office 760-355-6361 Secretary/Dean's Office 760-355-6217 Division Coordinator
Class Times:	4:30 to 9:10 pm	Emergency Contact:	760-355-6361
			Face to Face
Units:	5	Class Format:	Lectures and Labs

### **Course Description**

The students will be exposed to complete basic study of welding technology up to include health and safety. Personal protective equipment, fire protection and electrical safety. The students practice techniques for skill development in shield metal arc welding (SMAW)., gas tungsten arc welding (GTAW), flux cored arc welding (FCAW), soldering/brazing welding (S/BW), and oxygen-acetylene (OXY-ACE) welding and cutting processes.

In addition, American Welding Society, Code pf Federal Regulations (CFRS), specifications and welding standards will be discussed during the course of this semester.

## Course Prerequisite(s) and/or Corequisite(s)

N/A

## **Student Learning Outcomes**

The student must be able to understand and demonstrate the basic techniques in SMAW, GTAW and OXY-ACE, FCAW, S&BW process. Also, students must be able to demonstrate proper use and identification of fire extinguisher classification, first, second and third degree burns/electrical hazards, respiratory protection, AWS Standard, Health and Safety, and Fire Protection.

In addition, students must take personal responsibility for their own safety and the safety of others.

The teacher will discuss, explain in detail and demonstrate each welding technique and process. Students are encouraged to ask questions and/or seek assistance during classroom or welding presentations, or at any time during the sessions. In the event the student do not comprehend and has a legitimate questions associated with the test book, students are encourage to contact the teacher 24/7.

Students must display team building attitude, interest and goodwill at all time.

### **Course Objectives**

Students are made aware of other organizations. The most common is the American Welding Society and its associated codes:

- A. AWS D1. 1 Structural Welding Code Steel
- B. AWS D1.2 Structural Welding Code Aluminum
- C. AWS D1.3 Structural Welding Code Sheet Metal
- D. AWS D1.4 Structural Welding Code Reinforcing Steel
- E. AWS D1.5 Bridge Welding Code
- F. American National Standards Institute (ANSI) Z49.1 Protective Foot Wear
- G. ANSI Z89 Safety Glasses

Further, the following Code of Federal Regulations (CFRs) and National Standards will be briefly discussed during the course of this semester.

- A. CFR 29-Labor Occupational Safety and Health Administration
- B. CFR 40-Protection of the Environment
- C. CFR 49-Transportation of Hazardous Materials

Above mentioned CFRs and/or standards are integral parts and/or associated wit

#### **Textbooks & Other Resources or Links**

Welding Technology Fundamentals William A Bowditch, Kevin E. Bowditch and Mark A. Bowditch 5<sup>th</sup> Edition ISBN 978-1-63126-328-6

In addition, teaching material, assignments and presentations will correspond to written examinations, laboratory assignments, class room presentations and Final Examination. Presentations and familiarizations are conducted by reviewing handbooks and publications published by the American Welding Society, American National Standards Institute (ANSI) the Occupational Safety and Health Administration (OSHA), OxyfuelGas Welding, Cuttings and Heating Safety, and Safety in Welding, Cutting and Allied Processes (ANSI) Z49.1

The student must be able to understand and demonstrate the basis techniques in SMAW, GTAW and OXY-ACE, FCAW, S&BW processes. Also, students must be able to demonstrate proper use and identification of fire extinguisher classification, burns/electrical hazards respiratory protection, AWS standards, health and safety, and fire protection.

In addition, students must take personal responsibility for their own safety and the safety of others.

The teacher will discuss, explain in detail and demonstrate each welding techniques and process. Students are encourage to ask questions and/or seek assistance during classroom or welding presentations, or at any time during the sessions. In the event the student does not comprehend and has a legitimate questions associated with the text book, students are encourage to contact the teacher 24/7.

### **Equipment and Supplies**

Personal protective Equipment (PPE)

- 1. Safety Glasses
- 2. Helmet/Hood
- 3. Welding Cap
- 4. Welding Gloves
- 5. Leather Work Boots
- 6. Ear plugs/protection
- 7. 100% cotton long sleeve shirt and pants
- 8. Leather jacket or sleeve
- 9. All other equipment, materials, and supplies will be contribute to the learning process and success in the course.
- 10. For health and safety reasons, students are encourage to purchase their personal protective equipment (welding jacket and welding helmet).

(NO CONTACT LENSES IN THE LAB)

### **Course Requirements and Instructional Methods**

<u>Out of Class Assignments</u>: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonably approximates not less than one hour of class time <u>and</u> two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

### **Course Grading Based on Course Objectives**

This course is designed to be an essential part of the course sequence in the programs or; Welding Technology.

The accumulate effort of the student through the semester will have as an outcome an earned a grade of A, B, C, D, or F.

All assigned activities will be quantifiable based on a designated point value. There will be a total point value per assignment/activity and there will be a total point value for the semester.

- **1. Attendance:** first day of class, regular attendance and withdrawal after exceeding the number of class hours per week.
- 2. Tardiness: three times equals one absence (I.V.C. Gen. Catalog pg. 24) 09-10
- **3. Absences:** 3 absences= automatic drop (I.V.C. Gen catalog pg.24) 09-10
- 4. Student Conduct: (I.V.C. Gen. catalog pg. 22) 2009-10
- **5. Grading System** (I.V.C. Gen catalog pg.17)
- 6. When the student missed a quiz, test, or homework assignment the student lost 25% of the grade.
- 7. At the end of each class, the student is responsible for cleaning and taking care of the metal and bout. IF NOT at the end of the class will be doubt specific percentage they will affect the final score.

A= 90%-100% of points= Excellent

B= 80%-89% of points= Good

C= 70%-79% of points= Satisfactory

D= 60%-69% of points= Pass, less that satisfactory

F= Less than 60% of points= Failing

## Grading will be based on a total of 1,000 Points.

1.	Quizzes	300 Points
2.	Homework	200 Points
3.	Midterm	250 Points
4.	Final	250 Points

### **Course Policies**

[Describe other policies such as attendance, academic honesty, netiquette, expected classroom behavior, etc.]

#### **Attendance**

- A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See <a href="General Catalog">General Catalog</a> for details.
- Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.
- Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as 'excused' absences.
- At the discretion of the instructor any student who has 3 consecutive absences will dropped.

# **Classroom Etiquette**

- <u>Electronic Devices</u>: Cell phones and electronic devices must be turned off and put away during class, unless otherwise directed by the instructor.
- <u>Food and Drink</u> are prohibited in all classrooms. Water bottles with lids/caps are the only exception. Additional restrictions will apply in labs. Please comply as directed by the instructor.
- <u>Disruptive Students:</u> Students who disrupt or interfere with a class may be sent out of the room and told to meet with the Campus Disciplinary Officer before returning to continue with coursework. Disciplinary procedures will be followed as outlined in the <u>General Catalog</u>.
- <u>Children in the classroom:</u> Due to college rules and state laws, no one who is not enrolled in the class may attend, including children.

# **Online Netiquette**

• What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online.

• Students are to comply with the following rules of netiquette: (1) identify yourself, (2) include a subject line, (3) avoid sarcasm, (4) respect others' opinions and privacy, (5) acknowledge and return messages promptly, (6) copy with caution, (7) do not spam or junk mail, (8) be concise, (9) use appropriate language, (10) use appropriate emoticons (emotional icons) to help convey meaning, and (11) use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)].

### **Academic Honesty**

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the important of acknowledging and safeguarding intellectual property.

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- <u>Plagiarism</u> is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- <u>Cheating</u> is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the <u>General Catalog</u> for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

### **Additional Student Services**

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- **Blackboard Support Site**. The Blackboard Support Site provides a variety of support channels available to students 24 hours per day.
- <u>Learning Services</u>. There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your <u>Campus Map</u> for the <u>Math Lab</u>; <u>Reading, Writing & Language Labs</u>; and the <u>Study Skills Center</u>.
- <u>Library Services</u>. There is more to our library than just books. You have access to tutors in the <u>Study Skills Center</u>, study rooms for small groups, and online access to a wealth of resources.

## **Disabled Student Programs and Services (DSPS)**

Any student with a documented disability who may need educational accommodations should notify the instructor or the <u>Disabled Student Programs and Services</u> (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

### **Student Counseling and Health Services**

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

- Student Health Center. A Student Health Nurse is available on campus. In addition, Pioneers Memorial Healthcare District provide basic health services for students, such as first aid and care for minor illnesses. Contact the IVC Student Health Center at 760-355-6128 in Room 1536 for more information.
- <u>Mental Health Counseling Services</u>. Short-term individual, couples, family, and group therapy are provided to currently enrolled students. Contact the IVC <u>Mental Health Counseling Services</u> at 760-355-6196 in Room 2109 for more information.

### **Student Rights and Responsibilities**

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC General Catalog.

## **Information Literacy**

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC <u>Library Department</u> provides numerous <u>Information Literacy Tutorials</u> to assist students in this endeavor.

#### **IVC Student Resources**

IVC wants you to be successful in all aspects of your education. For help, resources, services, and an explanation of policies, visit <a href="http://www.imperial.edu/studentresources">http://www.imperial.edu/studentresources</a> or click the heart icon in Canvas.

#### **Additional Student Services**
