Course Policies

A student who fails to attend the first meeting of a class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class. It is the student's responsibility to drop or officially withdraw from the class. See General Catalog for details.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. Absences attributed to the representation of the college at officially approved vents(conferences, contests, and field trips) will be counted as 'excused' absences.

Students who are registered for online classes must still attend class regularly. Acceptable indications of attendance in online classes are:

- student submission of an academic assignment;
- student submission of an exam;
- student participation in an instructor-led Zoom conference;
- documented student interaction with class postings, such as an interactive tutorial or computer-assisted instruction via modules;
- a posting by the student, showing the student's participation in an assignment created by the instructor;
- a posting by the student in a discussion forum showing the student's participation in an online discussion about academic matters;

IMPERIAL VALLEY COLLEGE

- an email from the student or other documentation showing that the student has initiated contact with a faculty member to ask a question about an academic subject studied in the course. Merely logging onto Canvas is not an adequate means of demonstrating academic attendance.
