Out of Class Assignments: The Department of Education policy states that one (1) credit hour is the amount of student work that reasonable approximates not less than one hour of class time and two (2) hours of out-of-class time per week over the span of a semester. WASC has adopted a similar requirement.

Course Grading Based on Course Objectives

This course is built for you to succeed; however, you **MUST** do your work! If you do not do your work, you will not pass. This class uses a weighted grading system. The points for each assignment count toward a category. The weights are as follows:

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Plagiarism and Academic Honesty Policy: Because I want to ensure that you are practicing and learning in this class, I take plagiarism very seriously. Plagiarism happens when you copy words or ideas from somewhere else and submit it or repeat it as your own work. We get better at what we practice, and when we copy, we only get better at copying, not the important English skills we should be practicing. Plagiarism is academic dishonesty and is a very serious problem.

Plagiarism and cheating includes: • copying and pasting information from webpages • copying answers from an answer key or Teacher's book • copying the work from another student in your class, in another class, or from a previous term • copying information from a webpage or book in Spanish and submitting the English translation as your work • using AI in any way.

To help keep track of plagiarism, I use Turnitin Similarity in our class. Turnitin Similarity will run a report and show how much of the paper is exactly like another paper, webpage, or AI generated.

IMPORTANT: Papers that show signs of AI use or are missing citations or works cited pages when required will receive a zero.

Classroom Technology Policy

To ensure that we have the best possible learning environment, I am enforcing IVC's Classroom Technology Policy. **ALL personal technology, including phones, laptops, and tablets should be kept out of sight and away during class time.** This policy is part of our College Policies. You can find more information here: <http://www.imperial.edu/studentresources>. [Links to an external site.](#)

The only **exception** to this rule is if you have a special accommodation that requires the use of technology. If this applies to you, please let me know as soon as possible. Students who do not follow this policy will be given a warning during class. If the issue persists, the student will be referred to the Dean of Student Affairs for further handling.

Respectful Use and Speech Policy: All students should be respectful to each other and the instructor. Remember that we are all here to learn, and learning requires practice. Nobody is perfect, and nobody in the class should feel scared or embarrassed about making mistakes. They are a part of learning! I expect all students to be treated with respect. If someone disagrees with an opinion, it is not an opportunity for name calling or belittling. It is a time to respectfully listen, contemplate, and learn. We do not have to agree in discussions, but we do have to be respectful and kind. Any instances of disrespect in a discussion will result in the student being asked to leave the class.

Netiquette and Respectful Use: IVC's Respectful Use and Netiquette Policy: IVC's official policy about netiquette is as follows: What is netiquette? Netiquette is internet manners, online etiquette, and digital etiquette all rolled into one word. Basically, netiquette is a set of rules for behaving properly online. Students are to comply with the following rules of netiquette: 1. Identify yourself 2. Include a subject line 3. Avoid sarcasm 4. Respect others' opinions and privacy 5. Acknowledge and return messages promptly 6. Copy with caution 7. Do not spam or junk mail 8. Be concise 9. Use appropriate language 10. Use appropriate emoticons (emotional icons/emojis) to help convey meaning, and 11. Use appropriate intensifiers to help convey meaning [do not use ALL CAPS or multiple exclamation marks (!!!!)]
