NOTE: This course uses Zero Text Cost material, so it is optional if you want to purchase the Cengage products.

Course Requirements and Instructional Methods

Remember, this course is only 8 weeks long. Although this is a one-unit class, you should be dedicating 6 to 8 hours a week to complete your assignments.

This is NOT an online self-study course with a due date of the last day of scheduled class.

This course includes weekly deadlines scheduled throughout the semester.

We will adhere to a weekly schedule that includes many activities, including discussions, assignments, quizzes, and exams.

Late Submissions

To complete the course successfully, please strive to meet all deadlines, especially on interactive elements (discussions) of the course. If life events interrupt your class work, I will work with you! Please get in touch with me as soon as possible so I can help you stay current and provide as much support as possible. Points will be deducted for late work.

Course Grading Based on Course Objectives

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy. It will be considered academic dishonesty, or plagiarism, unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Course Policies

Guidelines

- This course is designed to take about **6-8 hours per week (on average)**. Please plan to:
 - o Set aside time each week to view all module materials and submit required work
 - o Log in regularly each week to check for announcements, grades, messages, and comments
 - o Participate in online discussions, and respond thoughtfully to your peers

Drop Policy

- During the first week: Complete your first Discussion by Wednesday 11:59 p.m. to mark your attendance and secure your spot!
- Throughout the term: Submit work regularly to show your active attendance. If you do not submit work for two consecutive modules, you may be dropped for non-participation!
- It is the student's responsibility to drop or officially withdraw from the class.
