EXAMINATIONS/TESTING:

There will be three areas of testing in the Correctional Academy:

- 1) **Testing:** There will be a total of five (5) tests during the process of this academy. The passing score for each of the tests is a minimum of seventy percent (70%).
- 2) **Written Skills Test:** The second testing area in the Correctional Academy, is Written Skills Tests. These learned skills are report writing and note taking, which are based on a pass or fail basis.
- 3) **Behavioral Skills Tests:** The third testing area in the Correctional Academy, are Behavioral Skills Tests. These face-to-face learned physical skills are defensive tactics and cell extractions of this academy, which are based on a pass or fail basis. As part of the Behavioral Skills Testing process, there will also be a final physical agility test which is also pass or fail. For more specifics about the physical agility testing, see the instructor.

If at any point, a student fails a test, there will be the opportunity to remediate (retake) the failed test, upon a failure of the second test, there will be an immediate dismissal from the academy. For each testing process, the written examinations, the Written Skills Test, or the Behavioral Skills Test, the student will have the original attempt, if failed, a remediation second attempt. This process will apply to each of the three areas.

IMPERIAL VALLEY COLLEGE

CLASS PARTICIPATION:

Class Participation will be part of this course of learning and is mandatory. There will be numerous group encounters with a wide variety of subject matter in which the students will be placed in groups and will be counted on to give answers from the interactions with other members and summarize these answers which will be presented to the class and the instructor for each of the situations.

There will group interactions, there will be role-playing, as well as demonstrations during the entire academy. In Behavioral Skills all of the students will have group exercises, trainee practices, and demonstrations, as well as active participation. In this course, for Cell Extractions, there will also be trainee practices, demonstrations, as well as active participation. For this exercise, there will be formation of extraction teams learning the proper technique of using force to extract a person from a room (a cell) against their will. You will have the opportunity of wearing the actual equipment that will be utilized in a live cell extraction. Teams will practice a mock cell extraction, and then will be evaluated on a full force live cell extraction involving instructional staff, who will resist the extraction team.

Academic Honesty (Artificial Intelligence -AI)

IVC values critical thinking and communication skills and considers academic integrity essential to learning. Using AI tools as a replacement for your own thinking, writing, or quantitative reasoning goes against both our mission and academic honesty policy and will be considered academic dishonesty, or plagiarism unless you have been instructed to do so by your instructor. In case of any uncertainty regarding the ethical use of AI tools, students are encouraged to reach out to their instructors for clarification.

Course Policies

Attendance

One of the institutional learning outcomes at IVC is personal responsibility.

(Class attendance is not a measure of performance or proficiency. Whether a student is just physically present in the class is not a valid basis for grading. Reference Title 5 Section 55002 of the California Code of Regulations: (A) Grading Policy. The course provides for measurement of student performance in terms of stated course objectives and culminates in a formal, permanently recorded grade based upon uniform standards in accordance with section 55758 of this Division. The grade is based on demonstrated proficiency in the subject matter and the ability to demonstrate that proficiency, at least in part, by means of written expression that may include essays, or, in courses where the curriculum committee deems them to be appropriate, by problem-solving exercises or skills demonstrations by students.)

The California Board of Corrections requires as a condition of the Standards and Training for Corrections (STC) courses, MANDATORY attendance for the entire course. This means that you WILL attend classes every single day for the entire amount of time of each class. For those with families, babysitting is NOT an acceptable excuse, not only have a babysitter, but have a backup, just in case.

Trainees may only miss 16 hours of training. Missing more than 16 hours of training will be grounds for dismissal from the class.

There are Written Skills, Behavior Skills and Physical Conditioning testing scheduled with each class session which MUST be completed and satisfactorily passed in order to receive credit for this course. REMEMBER, this course is REQUIRED for employment as a Correctional Officer in any City or County Jail, or Private Detention Facility. Therefore, all testing instruments in this course must be completed.

Academic Honesty

Academic honesty in the advancement of knowledge requires that all students and instructors respect the integrity of one another's work and recognize the importance of acknowledging and safeguarding intellectual property.

Updated 8/202

There are many different forms of academic dishonesty. The following kinds of honesty violations and their definitions are not meant to be exhaustive. Rather, they are intended to serve as examples of unacceptable academic conduct.

- **Plagiarism** is taking and presenting as one's own the writings or ideas of others, without citing the source. You should understand the concept of plagiarism and keep it in mind when taking exams and preparing written materials. If you do not understand how to "cite a source" correctly, you must ask for help.
- **Cheating** is defined as fraud, deceit, or dishonesty in an academic assignment, or using or attempting to use materials, or assisting others in using materials that are prohibited or inappropriate in the context of the academic assignment in question.

Anyone caught cheating or plagiarizing will receive a zero (0) on the exam or assignment, and the instructor may report the incident to the Campus Disciplinary Officer, who may place related documentation in a file. Repeated acts of cheating may result in an F in the course and/or disciplinary action. Please refer to the General Catalog for more information on academic dishonesty or other misconduct. Acts of cheating include, but are not limited to, the following: (a) plagiarism; (b) copying or attempting to copy from others during an examination or on an assignment; (c) communicating test information with another person during an examination; (d) allowing others to do an assignment or portion of an assignment; (e) using a commercial term paper service.

Additional Student Services

Imperial Valley College offers various services in support of student success. The following are some of the services available for students. Please speak to your instructor about additional services which may be available.

- **Canvas Support Site.** The Canvas Support Site provides a variety of support channels available to students 24 hours per day.
- **Learning Services.** There are several learning labs on campus to assist students through the use of computers and tutors. Please consult your Campus Map for the Math Lab; Reading, Writing & Language Labs; and the Study Skills Center.
- **Library Services.** There is more to our library than just books. You have access to tutors in the Study Skills Center, study rooms for small groups, and online access to a wealth of resources.

Disabled Student Programs and Services (DSPS)

Any student with a documented disability who may need educational accommodations should notify the instructor or the Disabled Student Programs and Services (DSP&S) office as soon as possible. The DSP&S office is located in Building 2100, telephone 760-355-6313. Please contact them if you feel you need to be evaluated for educational accommodations.

Student Counseling and Health Services

Students have counseling and health services available, provided by the pre-paid Student Health Fee.

- **Student Health Center.** A Student Health Nurse is available on campus. In addition, Pioneers Memorial Healthcare District and El Centro Regional Center provide basic health services for students, such as first aid and care for minor illnesses. Contact the IVC Student Health Center at 760-355-6310 in Room 2109 for more information.
- **Mental Health Counseling Services.** Short-term individual, couples, family, and group therapy are provided to currently enrolled students. Contact the IVC Mental Health Counseling Services at 760-355-6196 in Room 2109 for more information.

Student Rights and Responsibilities

Students have the right to experience a positive learning environment and to due process of law. For more information regarding student rights and responsibilities, please refer to the IVC General Catalog.

Information Literacy

Imperial Valley College is dedicated to helping students skillfully discover, evaluate, and use information from all sources. The IVC Library Department provides numerous Information Literacy Tutorials to assist students in this endeavor.
